Please return the completed affidavit registration packet.

ENROLLMENT OF AFFIDAVIT STUDENTS

REGISTRATION REQUIREMENTS

In order to register in the Roxbury School District, you must complete the attached forms as well as provide all required documents as described on page two. A child between the ages of five and under twenty who is living/residing in the home of an adult, not his/her parent(s) or legal guardian(s), residing within the boundaries of the Roxbury School District, may be enrolled tuition-free in the schools of the District provided that all requirements of New Jersey law are met. N.J.S.A. 18A:38-1 provides that a child living with such a resident must be:

- supported gratis (free of charge) by the resident as if the child were the resident's own child and intends to do so for a time longer than the school term; and
- kept and supported in the resident's home because of family or economic hardship in the child's family and not simply to attend one of the schools in district.

The resident(s) must assume all responsibility for the child relative to school requirements, and sign a sworn affidavit attesting to same. New Jersey law also requires that the parent(s) or legal guardian(s) permitting their child to live with another individual must be incapable of supporting or providing care for the child due to family and/or economic hardship. The parent(s)/guardian(s) must sign a sworn affidavit attesting to the existence of such problems. Separate affidavits must be submitted by the resident(s) and parent(s)/legal guardian(s).

DOCUMENTATION

In order to satisfy legal requirements, residents who are not the parents(s) or legal guardian(s) of a child, seeking to enroll the child in the Roxbury School District, shall submit to the District the admission forms, and legal affidavits enclosed in this admission packet **annually** and present the documents listed on page two.

AFFIDAVIT DOCUMENTATION

The affidavits should be accompanied by documentation to verify the existence of a hardship and the amount of support provided. Failure to submit sufficient documentation to establish compliance with law may result in the denial of the application. The information and documentation provided with the admission request shall be used by the District to determine the validity of the request. If the evidence does not support the validity of the request, the child may not be permitted to enroll.

Economic Hardship

In the event you are stating, under oath, that **economic hardship** exists which prevents the parent(s)/guardian(s) from supporting and providing care for the pupil, submit documentation to support the validity of that claim, which may include, but not be limited to documentation verifying: salary; unemployment; receipt of federal and/or state public assistance or other benefits; and such other documentation which will establish economic hardship.

Family Hardship

In the event you are stating, under oath, that a **family hardship** exists which prevents the parent(s)/guardian(s) from supporting and providing care for the pupil, submit documentation to support the validity of that claim, which may include, but not be limited to documentation verifying: medical and/or mental health treatment; child welfare agency involvement; and such other documentation which will establish family hardship.

Economic and Family Hardship

In the event you are stating, under oath, that both **family and economic hardship** exist which prevent the parent(s)/guardian(s) from supporting and providing care for the pupil, submit documentation to support the validity of both claims.

You bear the burden to provide proof sufficient to establish the existence of a family or economic hardship which renders the parent(s)/guardian(s) incapable of providing support or care for the pupil. Fraudulent statements or claims for admission may be prosecuted to the full extent of the law.
