Chromebook Insurance Information

2024/2025 School Year

Roxbury Public Schools offers parents the option each year to purchase insurance for student issued Chromebooks. The annual cost is \$28 per school year or \$14 per school year if eligible for free and reduced lunch. **The insurance will cover the first 2 incidents** of accidental damage only through October 31, 2025. **This coverage does not cover the Chromebook cover/case, lost charger or the cost of loss, theft or intentional damage of a device. Examples of intentional damage are several missing keys on keyboard, carvings and Chromebook intentionally thrown.**

If insurance is waived or if payment for insurance is not received by October 31st, you will be financially responsible for any accidental damage to the device or components of the device (e.g., cracked screen, broken keyboard, etc.). On the back of this form is a chart that indicates the cost of full replacement, as well as the costs of various Chromebook components that could be damaged. **Please note that all repairs and/or parts must be completed through the Roxbury Technology Department. You will be liable for the cost of the device if you choose to use outside parts and/or repairs as you will have voided our agreement with our vendor.**

If you would like to participate in the insurance option, please complete this form with cash, check or money order made payable to "Roxbury Board of Education" and submit it to the school's main office or RHS Technology Room A103. Online payment is also available through your student's MySchoolBucks account. Current students will receive invoices sent directly to their Guardian 1's email address.

If you have students in multiple schools, you can submit a single check to one of the designated locations for all of your children. Please make sure the names and grades of your children are written on the form and/or noted in the memo area of the check.
