

LINCOLN ROOSEVELT SCHOOL
End-of-Day Transportation

To help ease the stress of the first day of school, and to assist us with keeping accurate records on our students, please take a minute and complete this brief survey about your child's method of transportation at the **end of the school day**:

My child will **depart** from school as follows:

1. My child will ride the bus from school.
2. My child has been assigned a bus but I will pick them up from school daily at the Lincoln dismissal door.

*Please review the [arrival and dismissal traffic pattern map for directions.](#)

This information is extremely important to ensure an orderly and safe transition of our students.

3. My child is a designated walker.

If your child's end-of-day transportation method is not covered by any of the given descriptions above then please provide a brief explanation of your arrangement here. Please call the Lincoln Roosevelt School main office at 973-584-4331 if you need to speak with us directly.

Thank you.
