School Supply List – 2025-2026

Second Grade

Hello!

Here are the items that your second grade child will need to start off the school year. Your child's teacher will contact you if anything needs to be replenished.

Individual teachers may request some specialty items. You will be advised of this once the school year begins.

We appreciate your cooperation in not permitting your child to bring any toys to school unless your child's teacher makes an exception for a particular event.

Thank you! See you in August!
