

February 10,2021 Eisenhower Middle School PTO Meeting Minutes

In Attendance:

PTO President – Linda Mango

PTO Vice President Lori Fisch Romano

PTO Secretary - Nicole Watson

Principal – Mr. Gallagher

Principal's Report:

- The new Covid protocol does not require the entire class to quarantine. Only those who have been with in six feet. Classes have seating charts and measurements are made to determine who is required to quarantine. Changing it to only 10 -12 out at a time compared 50-55 at time. Each case is unique and timing is different requiring a different quarantine.
- Those that have been out with Covid have returned and are feeling good.
- Any schedule change does not affect EMS since we are already locked in to place with a schedule and can switch from virtual to in person with ease.
- The district is trying very hard to remain open. The kids and teachers have been consistently following the rules. Teachers are working extremely hard and want to be fully back in school.
- Basketball has begun, one game was played by boys and one is set up for the girls.
- Yearbook due date is still being worked out. Things are slow this year with clubs. We encourage people to order by the end of the month but it will probably extend a little past that.
- We are still hopeful for a step-up ceremony for the eighth grade. It's a very important day for the kids.
- Teachers are working on the eighth grade step up video. Please submit a picture of your child as soon as possible.
