- Security drills are only being talked about right now. Since we are an ALICE district that requires teachers and students be more engaged in the decision-making process during an emergency. When we are able to safely huddle and evacuate, we can resume drills. The drills are always educational and not meant to scare them. Hopefully it can be done in the spring.
- Orchestra, Band and Choir are up and running. The students are playing in the halls, auditorium and outside. Its wonderful to hear music in the school again. Virtual kids also have access to band instruction.
- Looking towards expanding indoor sports and clubs. The superintendent will be making decisions by the end of week. EMS has been on standby to proceed with winter sports, basketball and wrestling. EMS clubs are listed on the website and awaiting board approval.
- Phase 2 of reopening should be announced by Friday and details will be given by individual principals on the steps to move forward.
- The past few weeks have been very busy and everyone at EMS is doing their best with this temporary schedule.
