X. SUPERINTENDENT'S REPORT

Superintendent, Mrs. Radulic, reported the following:

- Welcome to the Roxbury family Erica Dent, our new Supervisor of Math and Science at the elementary level.
- On Wednesday, April 7th, Mr. Mondanaro, Mr. Riffle and I met with the Roxbury Planning Board for a courtesy overview of our Meeker Street project. It was a pleasure to discuss our outdoor project with the town. As I shared, this project grew out of a need to address the dilapidated tennis courts. In conversations organized by our Business Administrator, our Director of Innovation, Principals, Supervisors, Athletic Director, Director of Security, Technology Director, Assistant Superintendent, HR Director, and I discussed several options for the area. However, creating an outdoor space that provides an outdoor classroom experience was the idea that stuck. It stuck for several reasons, first it mirrors the district initiative to create outdoor educational spaces that has occurred at other buildings, such as our gardening space at the high school and outdoor classroom spaces, still under development, at other elementary schools. Secondly, it allows us to expand on the flexible seating initiative that began two years ago and was put on pause due to the pandemic.

Creating the space is the first step. Future steps include bathroom designs and furniture selection. And, of course, we will have to name the space. Then the creativity of our teachers will take over.

- Roxbury Resilience Celebrations are coming! We hope you will join our future Board of Education meetings to hear about our heroes.
- Lastly, I continue to hope that we will be able to return to “normalish” school days on April 26th. I’m continuing to monitor the district health and will be sending out a correspondence by April 21st. Please know that should we be able to return to full days, parents will have the option to transition their child’s learning platform, but there will be a quick turnaround.

XI. BUSINESS ADMINISTRATOR'S REPORT

Business Administrator, Mr. Joseph Mondanaro, reported the following:

- We are set to receive more COVID funding thanks to the American Rescue Plan; the funds will be distributed according to Title I allocation formulas
- Our budget hearing is scheduled for the next board meeting on April 26, 2021

0164.6 REMOTE PUBLIC BOARD MEETINGS DURING A DECLARED
EMERGENCY (M)

M

A. Purpose – N.J.A.C. 5:39-1.1

1. The purpose of N.J.A.C. 5:39-1.1 et seq. and Bylaw 0164.6 is to ensure a Board of Education or Board of Trustees of a charter school can conduct official public business in an open and transparent manner whenever a declared emergency requires a local public body to conduct a public meeting without physical attendance by members of the public.
2. Nothing in N.J.A.C. 5:39-1.1 et seq. prevents a local public body from holding a remote public meeting under such other circumstances as may be permitted by the Open Public Meetings Act, N.J.S.A. 10:4-1 et seq.

B. Definitions – N.J.A.C. 5:39-1.2

For the purpose of this Bylaw and in accordance with N.J.A.C. 5:39-1.2, the following words and terms have the following meanings, unless the context clearly indicates otherwise:

"Adequate notice" shall have the same definition as at N.J.S.A. 10:4-8; however, for the purpose of N.J.A.C. 5:39-1.1 et seq., and to the extent not otherwise set forth at N.J.S.A. 10:4-8, the notice transmitted to at least two newspapers for publication may occur through electronic mail or other electronic means that is accepted or requested by the newspaper.

"Annual notice" means a schedule of regular meetings of the public body to be held in the succeeding year noticed pursuant to N.J.S.A. 10:4-8 and 10:4-18. For the purpose of N.J.A.C. 5:39-1.1 et seq., the annual notice may be transmitted through electronic mail to newspapers and persons requesting an annual notice pursuant to N.J.S.A. 10:4-18. If the declared emergency prevents the local public body from mailing an annual notice to individuals requesting notice pursuant to N.J.S.A. 10:4-18, it shall be mailed to individuals for whom the local public body does not have an electronic mail account as soon as practicable.

REMOTE PUBLIC BOARD MEETINGS DURING A DECLARED EMERGENCY (M)

“Board” or “Board of Education” means a Board of Education or a Board of Trustees of a charter school as defined as a “local public body” or “public body” as per N.J.A.C. 5:39-1.2.

"Declared emergency" means a public health emergency, pursuant to the Emergency Health Powers Act, P.L. 2005, c. 222 (N.J.S.A. 26:13-1 et seq.), or a state of emergency, pursuant to P.L. 1942, c. 251 (N.J.S.A. App.A.9-33 et seq.), or both, or a state of local disaster emergency that has been declared by the Governor and is in effect.

"Electronic notice" means advance notice available to the public via electronic transmission of at least forty eight hours, giving the time, date, location and, to the extent known, the agenda of any regular, special, or rescheduled meeting, which shall accurately state whether formal action may or may not be taken at such meeting.

"Internet" means the international computer network of both Federal and non-Federal interoperable packet switched data networks.

"Live streaming" means the live audio and video transmission of a remote public meeting over the Internet.

"Local public body" means any "public body," as that term is defined in N.J.S.A. 10:4-8, with territorial jurisdiction equal to or less than a county. This term shall include Boards of Education, counties, municipalities, boards and commissions created by one or more counties or municipalities, and any authorities subject to N.J.S.A. 40A:5A-1 et seq., including fire districts and other special districts, along with joint meetings or regional service agencies as defined in N.J.S.A. 40A:65-3.

"Public business" means and includes all matters which relate in any way, directly or indirectly, to the performance of the public body’s functions or the conduct of its business.

"Public meeting" means and includes any gathering whether corporeal or by means of communication equipment which is attended by, or open to, all of the members of a public body, held with the intent, on the part of the members of the body present, to discuss or act as a unit upon the specific public business of that body. Meeting does not mean or include any such gathering (1) attended by less than an effective majority of the members of a public body, or (2) attended by or open to all the members of three or more similar public bodies at a convention or similar gathering.

REMOTE PUBLIC BOARD MEETINGS DURING A DECLARED EMERGENCY (M)

"Remote public meeting" means a public meeting that is conducted by any means of electronic communication equipment permitted pursuant to N.J.A.C. 5:39-1.1 et seq.

- C. Circumstances Under Which a Board of Education May Hold a Remote Public Meeting During a Declared Emergency for Conducting Public Business – N.J.A.C. 5:39-1.3
1. In addition to any circumstances under which public meetings held by means of communication equipment may be authorized pursuant to the Open Public Meetings Act, N.J.S.A. 10:4-1 et seq., the Board may hold a remote public meeting to conduct public business during a declared emergency if the emergency reasonably prevents the Board from safely conducting public business at a physical location with members of the public present.
 2. If, during a declared emergency, the Board holds a physical meeting in a location where, pursuant to State and/or Federal guidelines meant to mitigate the risk of a contagious infection, the declared emergency necessitates capacity restrictions reducing the number of individuals that can be present in the meeting room to an amount below that reasonably expected for the public meeting by the Board, the Board must either hold the public meeting at another location with adequate capacity for the reasonably expected attendance by the public or hold the public meeting as both an in-person meeting and a remote public meeting.
 - a. As set forth at N.J.A.C. 5:39-1.4(c), no in-person meeting shall proceed if the room capacity does not permit any member of the public to attend.
 3. Nothing in N.J.A.C. 5:39-1.3 shall be interpreted to prevent the Board from broadcasting the audio and/or video of, or taking remote public comment during, a public meeting that the public can physically attend without being subject to public health-related capacity restrictions.
- D. Minimum Technological and Procedural Requirements for Remote Public Meetings Necessitated by a Declared Emergency – N.J.A.C. 5:39-1.4
1. If a declared emergency requires the Board to hold a remote public meeting to conduct public business, the Board shall use an electronic

REMOTE PUBLIC BOARD MEETINGS DURING A DECLARED EMERGENCY (M)

communications technology that is routinely used in academic, business, and professional settings, and can be accessed by the public at no cost.

- a. Participant capacity on the selected platform should be consistent with the reasonable expectation of the public body for public meetings of the type being held and shall not be limited to fewer than fifty public participants (beyond those persons required to conduct business at the meeting).
2. Remote public meetings may be held by means including, but not limited to, audio-only teleconferencing, electronic communications platforms with video and audio, and Internet-accessible technology, such as live-streaming.
 - a. If an electronic communications platform or Internet-accessible technology is being utilized for a remote public meeting, a telephonic conference line shall also be provided to allow members of the public to dial-in by telephone to listen and provide public comment as otherwise required by law.
 - b. The Board shall require members of the public to state, prior to providing public comment, whether they wish to speak and to identify themselves prior to speaking.
 3. The Board shall provide the public with similar access to a remote public meeting as members of the Board, staff of the Board, and any individuals seeking one or more approvals from the Board.
 - a. If a remote public meeting is held by audio and video, the public shall also have the opportunity to participate in the meeting in both audio and video capacities.
 - b. The Board meeting held in-person shall not prohibit members of the public from attending in-person.
 4. Any remote public meeting where sworn testimony is being taken shall be broadcast by video, as well as by audio.
 - a. All individuals giving sworn testimony at a remote public meeting shall appear by video in addition to audio.

REMOTE PUBLIC BOARD MEETINGS DURING A DECLARED EMERGENCY (M)

5. Any presentations or documents that would otherwise be viewed or made available to members of the public physically attending the Board meeting shall be made visible on a video broadcast of the remote public meeting or made available on the Internet website or webpage of the entity governed by the Board, or the Internet website or webpage of the entity responsible for appointing the members of the Board.
 - a. If a document would be made available to individual members of the public in hard copy while physically attending the meeting, the document shall be made available in advance of the meeting for download through an internet link appearing either on the meeting notice, or near the posting of the meeting notice, both on the website and at the building where the meeting would otherwise be held.
 - b. If the Board does not have its own website, such documents shall be available upon request ahead of the meeting and provided through an official social media account if one exists.
6. The Board holding a remote public meeting shall allow members of the public to make public comment by audio, or by audio and video, if the remote public meeting is held over both audio and video, during the meeting.
 - a. In advance of the remote public meeting, the Board shall allow public comments to be submitted to the Business Administrator/Board Secretary by electronic mail and in written letter form by a reasonable deadline.
 - b. The Board shall not accept text-based public comment received during a remote public meeting held through an electronic communications platform or Internet-accessible technology. Public comments submitted before the remote public meeting through electronic mail or by written letter shall be read aloud and addressed during the remote public meeting in a manner audible to all meeting participants and the public.
 - c. The Board shall impose a reasonable time limit, where permitted by law, of three minutes on individual public comments and the same limits shall be placed on the reading of written comments. Each comment shall be read from the beginning, until the time

REMOTE PUBLIC BOARD MEETINGS DURING A DECLARED EMERGENCY (M)

limit is reached. The Board may pass over duplicate written comments; however, each duplicate comment shall be noted for the record with the content summarized. If the Board elects to summarize duplicative comments, the Board must not summarize certain duplicative comments while reading other duplicative comments individually.

7. The electronic communications technology used for a remote public meeting must have a function that allows the Board to mute the audio of all members of the public, as well as allow members of the public to mute themselves.
 - a. Any electronic communications platform or Internet-accessible technology used for a remote public meeting shall also allow the Board to regulate participation by individual members of the public.

The Board of Education shall provide, in accordance with N.J.A.C. 6A:26-12.4, testing for lead in all district sources of drinking water.

The Board shall conduct lead sampling and analysis in all drinking water outlets to which a student or staff member has or may have access in each school facility, other facility, or temporary facility, as soon as practicable, but no later than July 13, 2017, unless the district qualifies for an exemption in accordance with N.J.A.C. 6A:26-12.4(d)(h)(i). This ~~testing~~ **lead sampling and analysis** shall be conducted with a lead sampling plan in accordance with N.J.A.C. 6A:26-12.4(d)1, 2, and 3, and shall be in accordance with the Safe Drinking Water Act, N.J.S.A. 58:12A-1.

If any results exceed the permissible lead action level, the Board shall provide written notification to the parents of all students attending the facility, facility staff, and the New Jersey Department of Education. This written notification shall include: a description of the measures taken by the Board Superintendent or designee to immediately end the use of each drinking water outlet where the water quality exceeded the permissible lead action level; any additional remedial action taken or planned by the Board of Education; the measures taken to ensure that alternate drinking water has been made available to all students and staff members; where the water outlet(s) is located; and information regarding the health effects of lead in accordance with N.J.A.C. 6A:26-12.4(e)1 and 2. After the initial screening, the Board will conduct these lead screenings every six years and Notwithstanding the results or date of any prior testing, the Board shall continue to test drinking water outlets in the designated Statewide required testing year, which shall be every third school year beginning with the 2021-2022 school year and subsequently occurring in the 2024-2025 school year. By no later than June 30 of each designated Statewide required testing year, the Board shall test all drinking water outlets in accordance with N.J.A.C. 6A:26-12.4(g)1. The Board shall sample for lead after the replacement of any drinking water outlet or any other alteration to plumbing or service

EVERY STUDENT SUCCEEDS ACT ~~NO CHILD LEFT BEHIND PROGRAMS (M)~~

2415 **EVERY STUDENT SUCCEEDS ACT** ~~NO CHILD LEFT BEHIND PROGRAMS~~

M

The ~~No Child Left Behind Act (NCLB) of 2001~~ **Every Student Succeeds Act (ESSA)** is a reauthorization of the Elementary and Secondary Education Act (ESEA)/~~Improving America's Schools Act (IASA) 1994, of 1965 that provides~~ **providing Federal** funds to help all New Jersey's school children achieve, ~~at a minimum, proficiency in the State standards. NCLB embodies four key principles or pillars of education reform: accountability, flexibility, choice, and methodology.~~ **The purpose of the ESSA is to ensure all students have equitable access to high-quality educational resources and opportunities and to close educational achievement gaps.** The Board of Education elects to augment the instructional program of students by projects supported by Federal funds allocated under **the ESSA** ~~NCLB~~ and the district will comply with the requirements of all the programs authorized by **the ESSA** ~~NCLB~~.

The district may be eligible for several grant programs funded through **the ESSA** ~~NCLB~~, including, but not limited to, Title I through Title VII. Many of the Titles of **the ESSA** ~~NCLB~~ have several parts and subparts that provide a funding source for specific purposes.

Application Procedure

The district will submit an annual **ESSA** ~~No Child Left Behind Consolidated Formula Subgrant Application~~ to the New Jersey Department of Education (NJDOE). The school district's application shall include all information required by the NJDOE and **the ESSA** ~~NCLB~~ for the district to be considered for funding under **the ESSA** ~~NCLB~~.

Covered Programs

Formula grants under the ESSA are non-competitive grants that school districts are eligible for based on the make-up of their student bodies. The formula grants for each Title are committed to different purposes and may be used to support different activities and programs.

~~The intent of NCLB is that all children will meet State academic achievement standards to reach their potential through improved programs. The NCLB Consolidated Formula Subgrant includes the following programs:~~

-

- ~~1. Title I, Part A provides the programs and resources for disadvantaged students to meet this intent. It requires the State and the district to close~~

EVERY STUDENT SUCCEEDS ACT ~~NO CHILD LEFT BEHIND PROGRAMS (M)~~

~~the achievement gap by placing a highly qualified teacher in every classroom, improving the qualifications of paraprofessionals who work with disadvantaged students, and using instructional practices that have proven to be effective.~~

- ~~2. Title I, Part D serves neglected and delinquent youth in institutions, community day programs, and correctional facilities to assure they also attain high academic levels of performance.~~
- ~~3. Title II, Part A provides the resources for improving teacher and Principal quality and increasing the number of highly qualified teachers and Principals in classrooms and schools, thereby raising student achievement in the academic subjects. It focuses on preparing, training, and recruiting high quality teachers and Principals and requires the State to develop plans with annual measurable objectives that will ensure all teachers teaching in core academic subjects are highly qualified by the end of the 2005-2006 school year.~~
- ~~4. Title II, Part D facilitates comprehensive and integrated educational technology strategies that target the specific needs of individual schools. It improves student academic achievement through the use of technology in elementary and secondary schools, while addressing the digital divide such that every student is technologically literate by the end of eighth grade. Effective integration of technology resources and systems with teacher training and curriculum development are encouraged in order to identify and showcase best practices in educational technology.~~
- ~~5. Title III, Part A focuses on the teaching of English to limited English proficient (LEP) children, including immigrant children and youth.~~
- ~~6. Title IV, Part A provides resources for fostering a safe and drug-free learning environment that supports academic achievement.~~
- ~~7. Title V, Part A provides a flexible source of funding to help districts in the development and implementation of various innovative reform initiatives.~~
- ~~8. Title VI, Part B addresses the unique needs of rural school districts.~~
- ~~9. Title IX covers the general provisions applicable to some/all of the programs.~~

EVERY STUDENT SUCCEEDS ACT ~~NO CHILD LEFT BEHIND PROGRAMS (M)~~

~~Throughout NCLB, the use of solid research to improve teaching and learning as well as student behavior is required and promoted, and parent(s)/legal guardian(s) are provided with information and options to improve the educational opportunities provided for their children. The emphasis on scientifically based methodology encourages the use of teaching techniques and practices that are founded on research and proven to produce positive results.~~

Title I

The largest Federal program supporting elementary and secondary education is Title I. **The ESSA** ~~NCLB~~ strengthens Title I requirements for the State's assessments, accountability system, and support for school improvement. The law also ~~establishes~~ **requires** minimum qualifications for teachers and paraprofessionals in Title I programs.

The school district must use the best available measure for identifying children from low-income families to: identify eligible school attendance areas, determine the ranking of each area, and determine allocations as identified in the Title I guidelines and regulations.

The school district will offer Title I services to eligible children enrolled in private elementary and secondary schools. The services and benefits will be equitable in comparison to services and benefits for participating public school children.

The school district will provide the New Jersey Department of Education assurances it will provide the maximum coordination between the Title I program, the regular school program, and services provided by other programs for specialized populations. The Title I program will consider the special needs of homeless children, migrant children, children with disabilities and limited English proficient (LEP) children. Title I funds will be reserved so that migrant children who are otherwise eligible to receive Title I services, even if they arrive during the school year, are served.

Type of Title I Program

The school district will offer a Target Assistance Title I program.

Target Assistance Program

Schools that are not eligible for (or do not choose to operate) school-wide Title I programs must use Title I funds to provide targeted services to low-achieving students. A Target Assistance program must be established in accordance with the Title I guidelines and regulations and the New Jersey Department of Education.

EMPLOYMENT OF SUPPORT STAFF MEMBERS (M)

4125 EMPLOYMENT OF SUPPORT STAFF MEMBERS (M)

M

The Board of Education believes it is vital to the successful operation of the school district that support staff member positions be filled with highly qualified and competent professionals.

In accordance with the provisions of N.J.S.A. 18A:27-4.1, the Board shall appoint, transfer, remove, or renew a certificated or non-certificated officer or employee only upon the recommendation of the Superintendent of Schools and by a recorded roll call majority vote of the full membership of the Board. The Board shall not withhold its approval for arbitrary and capricious reasons. The Board shall approve the employment, fix the compensation, and establish the term of employment for every support staff member employed by this district.

The Superintendent may appoint a person to fill a sudden vacancy, subject to ratification of that action by the Board at the next Board meeting, and may appoint substitute teachers in accordance with this policy.

The Board ~~may will~~ employ substitutes ~~and/or contract for substitutes~~ for absent support staff members in order to ensure continuity in a program. The Board ~~and~~ will annually approve a list of substitutes and rate of pay ~~and/or the Board will approve a contract for a contracted service provider(s) to provide substitute support staff members.~~ ~~The Superintendent or designee shall select substitutes from the list approved by the Board to serve in the place of an absent support staff member.~~

~~The Board may use a private contractor to secure a substitute support staff member.~~

The Board of Education shall not employ for pay or contract for the paid services of any support staff member or any other person serving in a position which involves regular contact with students unless the Board has first determined consistent with the requirements and standards of N.J.S.A. 18A:6-7.1 et seq. that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or the State Bureau of Identification which would disqualify the individual from being employed or utilized in such capacity or position.

EMPLOYMENT OF SUPPORT STAFF MEMBERS (M)

An individual employed by the Board or a school bus contractor holding a contract with the Board, in the capacity of a school bus driver, shall be required to meet the criminal history record requirements as outlined in N.J.S.A. 18A:39-19.1.

The Board will employ paraprofessional school aides and/or classroom aides to assist in the supervision of student activities under the direction of a Principal, teacher, or other designated certified professional personnel. Aides will serve the needs of students by performing nonprofessional duties and may work only under the direct supervision of a teaching staff member(s).

In accordance with the requirements of *No Child Left Behind Act of 2001* the **Every Student Succeeds Act (ESSA)**, paraprofessionals hired after January 8, 2002, who work in a program supported with Title I, Part A funds, with certain exceptions, must meet one of the following criteria:

1. Completed at least two years of study at an institution of higher education;
2. Obtained an associate's (or higher) degree; or
3. Met a rigorous standard of quality and be able to demonstrate, through a formal State or local academic assessment, knowledge of and the ability to assist in instructing, reading, writing, and mathematics (or, as appropriate, reading readiness, writing readiness, and mathematics readiness).

Paraprofessional staff working in a Title I school, and whose salary is paid for in whole or in part with Title I funds, must **meet** ~~have met~~ one of the criteria listed above ~~by the end of the 2005-2006 school year~~. The Superintendent **or designee** will ensure paraprofessionals working in a program supported with Title I funds meet the above stated requirements.

An individual employed by the Board in any substitute capacity or position shall be required to undergo a criminal history record check in accordance with the provisions of N.J.S.A. 18A:6-7.1b.

An individual, except as provided in N.J.S.A. 18A:6-7.1g, shall be permanently disqualified from employment or service in the school district if the criminal history record check reveals a record of conviction for any crime or offense as defined in N.J.S.A. 18A:6-7.1 et seq.

EMPLOYMENT OF SUPPORT STAFF MEMBERS (M)

The Board or contracted service provider may employ an applicant on an emergent basis for a period not to exceed three months, pending completion of a criminal history record check if the Board or contracted service provider demonstrates to the Commissioner of Education that special circumstances exist which justify the emergent employment as prescribed in N.J.S.A. 18A:6-7.1c. In the event the criminal history record check is not completed for an emergent hired employee within three months, the Board or contracted service provider may petition the Commissioner for an extension of time, not to exceed two months, in order to retain the employee.

No criminal history record check shall be performed unless the applicant shall have furnished written consent to such a check. The applicant shall bear the cost for the criminal history record check, including all costs for administering and processing the check. The district will deny employment to an applicant if the applicant is required and refuses to submit to a criminal history record check.

The Board of Education prohibits any relative of a Board member or the Superintendent of Schools from being employed in an office or position in the school district in accordance with the provisions of N.J.A.C. 6A:23A-6.2 and Board Policy 0142.1 – Nepotism.

A support staff member's misstatement of fact material to his/her qualifications for employment or the determination of his/her salary will be considered by the Board to constitute grounds for dismissal.

6360 POLITICAL CONTRIBUTIONS

M

Political Contribution Disclosure Requirements

In accordance with the requirements of Section 2 of P.L. 2005, Chapter 271 (N.J.S.A. 19:44A-20.26), the Board of Education shall have on file, to be maintained with other documents related to a contract, the following documents to award a contract to any business entity receiving a contract with an anticipated value in excess of \$17,500, regardless of the basis upon which the contract is awarded:

1. A Political Contribution Disclosure (PCD) form submitted by the business entity (at least ten days prior to award); and
2. A Business Registration Certificate (anytime prior to award).

“Business entity” means a **for-profit entity that is a** natural or legal person, business corporation, professional services corporation, limited liability company, partnership, limited partnership, business trust, association or any other legal commercial entity organized under the laws of New Jersey or any other State or foreign jurisdiction.

The \$17,500 contract amount is not related to the Board’s bid threshold and does not exempt the district from the requirements of the Public School Contracts Law or other applicable purchasing statutes.

The \$17,500 contract amount threshold is subject to the principle of aggregation rules in accordance with the Division of Local Government Services guidance. Unlike the Public School Contracts Law, aggregation thresholds for this Policy and Chapter 271 purposes shall be calculated at the vendor level – meaning, when a vendor receives more than \$17,500 in a school district’s fiscal year, a PCD form shall be required.

The disclosure provisions of N.J.S.A. 19:44A-20.26 do not apply in cases where there is a “public emergency” that requires the immediate delivery of goods or services.

Insurance companies and banks are prohibited under State law from making political contributions. However, because the PCD form reflects contributions made by partners, Boards of Directors, spouses, etc., PCD forms are required ten days prior to the approval of a depository designation resolution or insurance company contract awarded by the Board. A PCD form is also required when a contract in excess of \$17,500 is made to an

insurance broker. A PCD form is required from the company receiving the contract, regardless of the entity issuing an insurance policy.

PCD forms are required for Board of Education contracts in excess of \$17,500 with a New Jersey Department of Education “Approved In-State Private School for the Disabled.” Chapter 271 also applies to in-State private special education schools, ~~supplemental~~ educational services under **any Federally funded program** NCLB, early childhood school providers – DHS approved, and other similar programs.

If the school district spends more than \$17,500 in a school year with a newspaper, the selection of the newspaper is subject to the provisions of Chapter 271.

PCD forms are not required for regulated public utility services, as the Board is required by the Board of Public Utilities to use a specific utility. This exception does not apply to non-regulated public utility services, such as generated energy (not tariffed), or long-distance telephone services where other procurement practices are used.

PCD forms are not required for membership to the New Jersey School Boards Association.

A non-profit organization having proper documentation from the Internal Revenue Service (IRS) showing it is registered with the IRS as a 501(c) type corporation is not required to file a PCD form.

A PCD form is not required for contracts with governmental agencies, including State colleges and universities.

If the original contract provided for the possibility of an extension(s), Chapter 271 compliance is not required if the extension/continuation is based on that original contract.

8330 STUDENT RECORDS

M

The Board of Education (“The Board”) believes that information about individual students must be compiled and maintained in the interest of the student’s educational welfare and advancement. The Board will strive to balance the student’s right to privacy against the district’s need to collect, retain, and use information about individual students and groups of students. The Board authorizes the establishment and maintenance of student files that include only those records mandated by law, rules of the State Board of Education, authorized administrative directive, and those records permitted by this Board.

The Superintendent shall prepare, present to the Board for approval, and distribute regulations that implement this Policy and conform to applicable State and Federal law and rules of the State Board of Education.

General Considerations

The Board of Education shall compile and maintain student records and regulate access, disclosure, or communication of information contained in educational records in a manner that assures the security of such records in accordance with the provisions of N.J.A.C. 6A:32-7.1 et seq. Student records shall contain only such information as is relevant to the education of the student and is objectively based on the personal observations or knowledge of the certified school personnel who originate(s) the record. The school district shall provide annual, written notification to parents, adult students, and emancipated minors of their rights in regard to student records and student participation in educational, occupational, and military recruitment programs. Copies of the applicable State and Federal laws and local policies shall be made available upon request. The school district shall make every effort to notify parents and adult students in their dominant language.

A nonadult student may assert rights of access only through his or her parent(s). However, Nothing in this Policy N.J.A.C. 6A:32-7 shall be construed to prohibit certified school personnel from disclosing at their discretion student records to non-adult students or to appropriate persons in connection with an emergency, if such knowledge is necessary to protect the health or safety of the student or other persons.

No liability shall be attached to any member, officer, or employee of the Board of Education permitting access or furnishing student records in accordance with N.J.A.C. 6A:32-7.1 et seq.

Student Information Directory

A student information directory is maintained by a publication of the Board of Education which that includes information relating to a student as defined in N.J.A.C. 6A:32-2.1. This information includes: name; grade level; date and place of birth; dates of school attendance; major field of study; participation in officially recognized activities; weight and height relating to athletic team membership; degrees; awards; the most recent educational agency attended by the student; and other similar information. The student information directory shall be used only by authorized school district personnel and for designated official use by judicial, law enforcement, and medical personnel and not for general public consumption.

In the event the school district publishes a student information directory, the Superintendent or designee will provide a parent or adult student a ten-day period to submit to the Superintendent a written statement prohibiting the school district from including any or all types of information about the student in any student information directory before allowing access to such directory to educational, occupational, and military recruiters pursuant to N.J.S.A. 18A:36-19.1 and P.L. 107-110 sec. 9528, 20 U.S.C. §8528 - Armed Forces Recruiter Access to Students and Student Recruiting Information of the Elementary and Secondary Education Act (ESEA) of 1965 No Child Left Behind Act of 2001. In accordance with N.J.S.A. 18A:36-19.1, military recruiters will be provided the same access to a student information directory that is provided to educational and occupational recruiters.

School Contact Directory for Official Use

A school contact directory for official use is a compilation by the school district that includes the following information for each student: name; address; telephone number; date of birth and school enrollment. The district shall compile and maintain a school contact directory for official use that is separate and distinct from the student information directory. The student contact directory may be provided for official use only to judicial and law enforcement personnel, and to medical personnel currently providing services to the student in question. To exclude any information from the school contact directory for official use the

parent, adult student, or emancipated minor shall notify the Superintendent or designee in writing

Mandated and Permitted Student Records

Mandated student records are those records school districts have been directed to compile by State statute, regulations, or authorized administrative directive in accordance with N.J.A.C. 6A:32-7.3.

Permitted student records are those student records not mandated pursuant to N.J.A.C. 6A:32-7.3, but authorized by the Board to promote the student's educational welfare. The Board shall authorize the permitted records to be collected by adopting Policy and Regulation 8330, which will list such permitted records.

Maintenance and Security of Student Records

The Superintendent or designee shall be responsible for the security of student records maintained in the school district. Policy and Regulation 8330 assure that access to such records is limited to authorized persons.

Records for each individual student may be stored electronically or in paper format. When student records are stored electronically, proper security and back-up procedures shall be administered.

Student health records, whether stored on paper or electronically, shall be maintained separately from other student records, until such time as graduation or termination, whereupon the health history and immunization record shall be removed from the student's health record and placed in the student's mandated record. Records shall be accessible during the hours in which the school program is in operation.

Any district internet website shall not disclose any personally identifiable information about a student without receiving prior written consent from the student's parent, in accordance with the provisions of N.J.S.A. 18A:36-35. Personally identifiable information means student names; student photos; student addresses; student e-mail addresses; student phone numbers; and locations and times of class trips.

Access to Student Records

Only authorized organizations, agencies, or persons as defined in N.J.A.C. 6A:32-7.5 shall have access to student records, including student health records. Access to student records shall be provided to persons authorized such access under N.J.A.C. 6A:32-7.1 et seq. within ten days of a request, but prior to any review or hearing conducted in accordance with N.J.A.C. 6A.

The district shall control access to, disclosure of, and communication regarding information contained in student health records to assure access only to people permitted by Federal and State statute and regulations in accordance with N.J.A.C. 6A:32-7.5.

The district may charge a reasonable fee for reproduction of student records, not to exceed the schedule of costs set forth in N.J.S.A. 47:1A-5, provided that the cost does not effectively prevent the parents or adult students from exercising their rights under N.J.A.C. 6A:32-7 or other Federal and State rules and regulations regarding students with disabilities, including N.J.A.C. 6A:14.

Access to and disclosure of a student's health record shall meet the requirements of the Family Education Rights and Privacy Act, 34 C.F.R. Part 99 (FERPA).

Only authorized organizations, agencies, or persons as defined in N.J.A.C. 6A:32-7.5 shall have access to student records, including student health records-

Nothing in N.J.A.C. 6A:32-7.1 et seq. or in Policy and Regulation 8330 shall be construed to prohibit school personnel from disclosing information contained in the student health record to students or adults in connection with an emergency, if such knowledge is necessary to protect the immediate health or safety of the student or other persons.

In complying with N.J.A.C. 6A:32-7 – Student Records, individuals shall adhere to requirements pursuant to N.J.S.A. 47:1A-10, the Open Public Records Act (OPRA) and 34 CFR Part 99, the Family Educational Rights and Privacy Act (FERPA).

Conditions for Access to Student Records

All authorized organizations, agencies, and persons defined in N.J.A.C. 6A:32-7.1 et seq. shall have access to the records of a student subject to conditions outlined in N.J.A.C. 6A:32-7.6(a):

Rights of Appeal for Parents and Adult Students

Student records are subject to challenge by parents and adult students on the grounds of inaccuracy, irrelevancy, impermissible disclosure, inclusion of improper information or denial of access to organizations, agencies, and persons in accordance with N.J.A.C. 6A:32-7.7(a).

To request a change in the record or to request a stay of disclosure pending final determination of the challenged procedure, the parent or adult student shall follow the procedures pursuant to N.J.A.C. 6A:32-7.7(b).

Appeals relating to student records for students with disabilities shall be processed in accordance with the requirements of N.J.A.C. 6A:32-7.7(b).

Regardless of the outcome of any appeal, a parent or adult student shall be permitted to place in the student record a statement commenting upon the information in the student record or setting forth any reasons for disagreement with the decision made in the appeal. Such statements shall be maintained as part of the student record as long as the contested portion of the record is maintained.

If the contested portion of the record is disclosed to any party, the statement commenting upon the information shall also be disclosed to that party.

Retention and Disposal of Student Records

A student record is considered to be incomplete and not subject to the provisions of the Destruction of Public Records Law, N.J.S.A. 47:3-15 et seq., while the student is enrolled in the school district. The school district shall retain the student health record and the health history and immunization record according to the School District Records Retention Schedule, as determined by the New Jersey State Records Committee.

Student records of currently enrolled students, other than that described in N.J.A.C. 6A:32-7.8(e) may be disposed of after the information is no longer necessary to provide educational services to a student and in accordance with the provisions of N.J.A.C. 6A:32-7.8(b).

Upon graduation or permanent departure of a student from the school district, the parent or adult student shall be notified in writing that a copy of the entire student record will be provided to them upon request. Information in student records, other than that described in N.J.A.C. 6A:32-7.8(e), may be disposed of, but only in accordance with the Destruction of Public Records Law, N.J.S.A. 47:3-15 et seq. Such disposition shall be in accordance with the provisions of N.J.A.C. 6A:32-7.8(c)2

POLICY

No additions shall be made to the record after graduation or permanent departure without the prior written consent of the parent or adult student.

In accordance with N.J.A.C. 6A:32-7.8(e), the New Jersey public school district of last enrollment, graduation, or permanent departure of the student from the school district shall keep for 100 years a mandated record of a student's name, date of birth, name of parents, gender, health history and immunization, standardized assessment results, grades, attendance, classes attended, grade level completed, year completed, and years of attendance.

“Parent” means a person who is the biological parent, adoptive parent, foster parent, resource family parent, step-parent, parent-in-law, or legal guardian, having a “parent-child relationship” with a child as defined by law, or having sole or joint legal or physical custody, care, guardianship, or visitation with a child, or who became the parent of the child pursuant to a valid written agreement between the parent and a gestational carrier.

“Serious health condition” means an illness, injury, impairment, or physical or mental condition which requires:

- a. Inpatient care in a hospital, hospice, or residential medical care facility; or
- b. Continuing medical treatment or continuing supervision by a health care provider.

As used in the definition of a serious health condition, “continuing medical treatment or continuing supervision by a health care provider” means:

- a. A period of incapacity (that is, inability to work, attend school, or perform regular daily activities due to a serious

health condition, treatment therefore, and recovery therefrom) of more than three consecutive days, and any subsequent treatment or period of incapacity relating to the same condition, that also involves:

- (1) Treatment two or more times by a health care provider; or
 - (2) Treatment by a health care provider on one occasion which results in a regimen of continuing treatment under the supervision of a health care provider;
- b. Any period of incapacity due to pregnancy, or for prenatal care;
 - c. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition;
 - d. A period of incapacity, which is permanent or long-term, due to a condition for which treatment may not be effective (such as Alzheimer's disease, a severe stroke, or the terminal stages of a disease) where the individual is under continuing supervision of, but need not be receiving active treatment by, a health care provider; or
 - e. Any period of absence to receive multiple treatments (including any period of recovery therefrom) by a health care provider or by a provider of health care services under orders of, or on referral by a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), or kidney disease (dialysis).

“Spouse” means a person to whom a staff member is lawfully married as defined by New Jersey law.

“State of emergency” means a natural or man-made disaster or emergency for which a state of emergency has been declared by the President of the United States or the Governor, or for which a state of emergency has been declared by a municipal emergency management coordinator.

2. Reasons for NJFLA Leave

a. A staff member may take NJFLA leave to provide care made necessary by reason of:

- (1) The birth of a child of the staff member, including a child born pursuant to a valid written agreement between the staff member and the gestational carrier;
- (2) The placement of a child into foster care with the staff member or in connection with adoption of such child by a staff member;
- (3) The serious health condition of a family member of the staff member; or
- (4) A state of emergency declared by the Governor of New Jersey, or when indicated to be needed by the Commissioner of Health – New Jersey Department of Health or other public health authority, an epidemic or communicable disease, a known or suspected exposure to the communicable disease, or efforts to prevent spread of a communicable disease which:
 - (a) Requires in-home care or treatment of a child due to the closure of the school or place of care of the child of a staff member, by order of a public official due to the epidemic or other public health emergency;

ADMINISTRATION

Family Leave

- (b) Prompts the issuance by a public health authority of a determination, including by mandatory quarantine, requiring or imposing responsive or prophylactic measures as a result of illness caused by an epidemic of a communicable disease or known or suspected exposure to the communicable disease because the presence in the community of a family member in need of care by a staff member would jeopardize the health of others; or
 - (c) Results in the recommendation of a health care provider or public health authority, that a family member in need of care by a staff member voluntarily undergo self-quarantine as a result of suspected exposure to a communicable disease because the presence in the community of that family member in need of care by a staff member, would jeopardize the health of others.
3. Staff Member Eligibility
- a. NJFLA leave may be taken for up to twelve weeks within any twenty-four month period. The NJFLA leave shall be unpaid with benefits subject to contributions required to be made by the staff member.
 - b. A staff member is eligible for NJFLA leave if a staff member is employed by the same Board for twelve months or more, and has worked 1,000 or more base hours during the preceding twelve month period.

- c. The method to determine the twenty-four month period in which the twelve weeks of NJFLA leave entitlement occurs shall be a “rolling” twenty-four month period measured backward from the date a staff member uses any leave under NJFLA.
 - d. This Policy shall serve as notice to all staff members of the method chosen in A.3.c. above. This method shall be applied consistently and uniformly to all staff members.
 - (1) If the Board transitions to another method, the Board is required to give at least sixty days’ notice to all staff members and the transition must take place in such a way that staff members retain their full benefit of twelve weeks of NJFLA leave under whichever method affords the greatest benefit to a staff member.
 - e. The Board shall grant NJFLA leave to more than one staff member from the same family (for example, a husband and a wife, or a brother and a sister) at the same time, provided such staff members are otherwise eligible for NJFLA leave.
 - f. The fact that a holiday may occur within the week taken by a staff member as NJFLA leave has no effect and the week is counted as a week of NJFLA leave.
 - (1) However, if a staff member is out on NJFLA leave and the staff member is not regularly scheduled to work for one or more weeks, the weeks the staff member is not regularly scheduled to work do not count against their NJFLA leave entitlement.
4. Types of NJFLA Leave
- a. Staff members are required to provide notice in writing for any NJFLA leave requested. In emergent circumstances, a staff member may provide the Board with oral notice when written notice is impracticable.

ADMINISTRATION

Family Leave

- (1) Staff members must provide the Board written notice after submitting oral notice in emergent circumstances.
- b. Consecutive NJFLA leave is NJFLA leave that is taken without interruption based upon a staff member's regular work schedule and does not include breaks in employment in which a staff member is not regularly scheduled to work.
- (1) A staff member must provide the Board with notice of consecutive NJFLA leave no later than thirty days prior to the commencement of consecutive NJFLA leave, except where emergent circumstances warrant shorter notice.
 - (2) A staff member shall provide the Board with certification pursuant to A.5. below.
- c. Intermittent NJFLA leave is NJFLA leave due to a single qualifying reason, taken in separate periods of time, broken up by periods in which the staff member returns to work.
- (1) A staff member is entitled to take NJFLA leave intermittently for the birth of a child of the staff member, including a child born pursuant to a valid written agreement between the staff member and a gestational carrier or the placement of a child into foster care with the staff member or in connection with adoption of such child by the staff member.
 - (a) The staff member shall provide the Board with prior notice of not less than fifteen calendar days before the first day on which NJFLI benefits are paid for the intermittent NJFLA leave, unless an emergency or other unforeseen circumstance precludes prior notice.
 - (b) The staff member shall make a reasonable effort to schedule the intermittent NJFLA leave so as not to unduly disrupt the

operations of the Board and, if possible, provide the Board, prior to the commencement of intermittent NJFLA leave, with a regular schedule of the days or days of the week on which the intermittent NJFLA leave will be taken.

- (c) A staff member shall provide the Board with certification for intermittent NJFLA leave pursuant to A.5.b. below.
- (2) The staff member is entitled to take intermittent NJFLA leave for the serious health condition of a family member of the staff member when medically necessary if:
- (a) The total time which the intermittent NJFLA leave is taken does not exceed twelve months if taken in connection with a single serious health condition. If the intermittent NJFLA leave is taken in connection with more than one serious health condition, the intermittent NJFLA leave must be taken within a consecutive twenty-four month period or until such time the twelve week NJFLA leave is exhausted, whichever is shorter;
 - (b) The staff member provides the Board with prior notice of not less than fifteen calendar days before the first day on which benefits are paid for the intermittent NJFLA leave.
 - (i) The staff member may provide notice less than fifteen days prior to the intermittent NJFLA leave if an emergency or other unforeseen circumstance precludes prior notice;
 - (c) The staff member makes a reasonable effort to schedule the intermittent NJFLA leave so

as not to unduly disrupt the operations of the school district and, if possible, provide the school district, prior to the commencement of intermittent NJFLA leave, with a regular schedule of the days or days of the week on which the intermittent NJFLA leave will be taken; and

- (d) The staff member provides the Board with a copy of the certification outlined in A.5.c. below.
- (3) In the case of NJFLA leave taken due to an epidemic of a communicable disease, a known or suspected exposure to the communicable disease, or efforts to prevent spread of the communicable disease, the NJFLA leave may only be taken intermittently if:
- (a) The staff member provides the Board with prior notice of the intermittent NJFLA leave as soon as practicable;
 - (b) The staff member makes a reasonable effort to schedule the NJFLA leave so as not to unduly disrupt the operations of the school district and, if possible, provide the school district prior to the commencement of the intermittent NJFLA leave, with a regular schedule of the day or days of the week on which the intermittent NJFLA leave will be taken; and
 - (c) A staff member provides the Board with a copy of the certification outlined in A.5.d. below.
- (4) Intermittent leave taken on a reduced leave schedule is NJFLA leave due to a single qualifying reason,

that is scheduled for fewer than a staff member's usual number of hours worked per workweek, but not for fewer than a staff member's usual number of hours worked per workday and may only be taken to care for the serious health condition of a family member of a staff member when medically necessary, except that:

- (a) A staff member shall not be entitled to intermittent NJFLA leave on a reduced leave schedule for a period exceeding twelve consecutive months for any one period of NJFLA leave;
 - (b) The staff member must provide the Board with prior notice of the intermittent NJFLA leave on a reduced leave schedule as soon as practicable;
 - (c) A staff member shall make a reasonable effort to schedule intermittent NJFLA leave on a reduced leave schedule so as not to disrupt unduly the operations of the school district. A staff member shall provide the school district with prior notice of the care, medical treatment, or continuing supervision by a health care provider necessary due to a serious health condition of a family member, in a manner which is reasonable and practicable; and
 - (d) A staff member must provide the Board with a copy of the certification outlined in A.5.c. below.
- d. NJFLA leave taken because of the birth or placement for adoption of a child of the staff member may commence at any time within a year after the date of the foster care placement, birth, or placement for adoption.

- e. A staff member shall not, during any period of NJFLA leave, perform services on a full-time basis for any person for whom a staff member did not provide those services immediately prior to commencement of the NJFLA leave.
 - (1) A staff member on NJFLA leave may not engage in other full-time employment during the term of the NJFLA leave, unless such employment commenced prior to the NJFLA leave and is not otherwise prohibited by law.
 - (2) During the term of NJFLA leave a staff member may commence part-time employment which shall not exceed half the regularly scheduled hours worked for the Board from whom a staff member requested NJFLA leave. A staff member may continue part-time employment which commenced prior to a staff member's NJFLA leave, at the same number of hours that a staff member was regularly scheduled prior to such NJFLA leave.
 - (3) The Board may not maintain a policy or practice which prohibits part-time employment during the course of a NJFLA leave.

5. Certification

- a. The Board shall require a staff member who requests NJFLA leave to sign a form of certification established by the Board attesting that such staff member is taking NJFLA leave in accordance with the law.
 - (1) The Board may not require a staff member to sign or otherwise submit a form of certification attesting to additional facts, including a staff member's eligibility for NJFLA leave.
 - (2) The Board may subject a staff member to reasonable disciplinary measures, depending on the circumstances, when a staff member intentionally

ADMINISTRATION
1643/page 12 of 40

misrepresents the reason that such staff member is taking NJFLA leave.

- (3) The form of certification established by the Board shall contain a statement warning a staff member of the consequences of refusing to sign the certification or falsely certifying. Any staff member who refuses to sign the certification established by the Board may be denied the requested NJFLA leave.
 - (4) The Board requires that any period of NJFLA leave be supported by certification issued by a health care provider.
- b. Where the certification, issued by the health care provider, is for the birth of a child of a staff member, including a child born pursuant to a valid written agreement between the staff member and a gestational carrier or the placement of a child into foster care with the staff member or in connection with adoption of such child by the staff member, the certification need only state the date of birth or date of placement, whichever is appropriate.
- c. Any period of NJFLA leave for the serious health condition of a family member of a staff member shall be supported by certification provided by a health care provider. The certification shall be sufficient if it states:
- (1) The date, if known, on which the serious health condition commenced;
 - (2) The probable duration of the condition;
 - (3) The medical facts within the knowledge of the provider of the certification regarding the condition;
 - (4) The serious health condition warrants the participation of the staff member in providing health care to the family member, as provided in the

ADMINISTRATION
1643/page 13 of 40
Family Leave

“Family Leave Act,” P.L. 1989, c.261 (C.34:11B-1 et seq.) and regulations adopted pursuant to the NJFLA;

- (5) An estimate of the amount of time the staff member is needed for participation in the care of the family member;
 - (6) If the NJFLA leave is intermittent, a statement of the medical necessity for the intermittent NJFLA leave and the expected duration of the intermittent NJFLA leave; and
 - (7) If NJFLA leave is intermittent and for planned medical treatment, the dates of the treatment.
- d. In any case in which the Board has reason to doubt the validity of the certification provided pursuant to A.5.c. above, the Board may require, at its own expense, that a staff member obtain an opinion regarding the serious health condition from a second health care provider designated or approved, but not employed on a regular basis, by the Board. If the second opinion differs from the certification provided pursuant to A.5.c. above, the Board may require, at its own expense, that a staff member obtain the opinion of a third health care provider designated or approved jointly by the Board and a staff member concerning the serious health condition. The opinion of the third health care provider shall be considered to be final and shall be binding on the Board and a staff member.
- e. Where the certification is for an epidemic of a communicable disease, a known or suspected exposure to the communicable disease, or efforts to prevent the spread of the communicable disease, the certification shall be sufficient if it includes:
- (1) For NJFLA leave taken to provide in-home care or treatment of a child due to the closure of the school or place of care of the child of a staff member, by

order of a public official due to the epidemic or other public health emergency, the date on which the closure of the school or place of care of the child of a staff member commenced and the reason for such closure;

(2) For NJFLA leave taken due to a public health authority's issuance of a determination requiring or imposing responsive or prophylactic measures as a result of illness caused by an epidemic of a communicable disease or known or suspected exposure to the communicable disease because the presence in the community of a family member in need of care by a staff member would jeopardize the health of others, the date of issuance of the determination, and the probable duration of the determination; or

(3) For NJFLA leave taken because a health care provider or public health authority recommends that a family member in need of care by a staff member voluntarily undergo self-quarantine as a result of suspected exposure to a communicable disease because the presence in the community of that family member in need of care by a staff member would jeopardize the health of others, the date of the recommendation, the probable duration of the condition, and the medical or other facts within the health care provider or public health authority's knowledge regarding the condition.

f. The Board shall not use the certification requirements as outlined in A.5. to intimidate, harass, or otherwise discourage a staff member from requesting or taking NJFLA leave or asserting any of a staff member's rights to NJFLA leave.

6. Denial or Exemption of NJFLA Leave

a. Denial of NJFLA Leave

ADMINISTRATION
1643/page 15 of 40
Family Leave

- (1) The Board may deny NJFLA leave to a staff member if:
 - (a) A staff member is a salaried staff member who is among the highest paid 5% of the Board's staff members or the seven highest paid staff members of the Board, whichever is greater;
 - (b) The denial is necessary to prevent substantial and grievous economic injury to the Board's operations; and
 - (c) The Board notifies a staff member of its intent to deny the NJFLA leave at the time the Board determines that the denial is necessary.
- (2) The provisions of A.6.a.(1) above shall not apply when, in the event of a state of emergency declared by the Governor of New Jersey or when indicated to be needed by the Commissioner of Health – New Jersey Department of Health or other public health authority, the NJFLA leave is for an epidemic of a communicable disease, a known or suspected exposure to a communicable disease, or efforts to prevent spread of a communicable disease.
- (3) In any case in which NJFLA leave has already commenced at the time of the notification pursuant to A.6.a.(1)(c) above, a staff member shall return to work within ten working days of the date of notification.

7. Reinstatement from NJFLA Leave

- a. Upon the expiration of a NJFLA leave, a staff member shall be restored to the position such staff member held immediately prior to the commencement of the NJFLA leave. If such position has been filled, the Board shall

reinstate such staff member to an equivalent position of like seniority, status, employment benefits, pay, and other terms and conditions of employment.

- b. If, during NJFLA leave, the Board experiences a reduction in force or layoff and a staff member would have lost their position had a staff member not been on NJFLA leave, as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under a collective bargaining agreement where applicable, a staff member shall not be entitled to reinstatement to the former or an equivalent position. A staff member shall retain all rights under any applicable layoff and recall system, including a system under a collective bargaining agreement, as if a staff member had not taken the NJFLA leave.

8. Notice to Staff Members

- a. The Board shall display the official Family Leave Act poster of the Division on Civil Rights in the New Jersey Department of Law and Public Safety (Division) in accordance with N.J.A.C. 13:8-2.2. The poster is available for printing from the Division's website.
- b. Access to and/or distribution of this Policy shall serve as school district notice to staff members of their rights pursuant to N.J.A.C. 13:14-1.14.

9. Local Board of Education Practices

- a. Accrued Paid NJFLA Leave
 - (1) Whether a staff member is required to use any other accrued leave time concurrent with NJFLA leave time will depend upon either the school district's practice or a provision in a collective bargaining agreement, if applicable.

ADMINISTRATION
1643/page 17 of 40
Family Leave

- (a) Sick leave may only be used concurrently with the NJFLA leave in accordance with the provisions of N.J.S.A. 18A:30-1 and N.J.S.A. 34:11B-3.
 - b. Multiple Leaves of Absence
 - (1) Where a Board maintains leaves of absence which provide benefits, other than health benefits, that differ depending upon the type of leave taken, the Board shall provide those benefits to a staff member on NJFLA leave in the same manner as it provides benefits to staff members who are granted other leaves of absence which most closely resemble NJFLA leave.
- 10. New Jersey Family Leave Insurance Program (NJFLI)
 - a. Board of Education staff members are eligible to apply for benefits under the NJFLI Program administered by the State of New Jersey Department of Labor and Workforce Development.
 - b. All applications for benefits under the NJFLI Program must be filed directly with the State of New Jersey Department of Labor and Workforce Development. The eligibility requirements, wage requirements, benefit duration and amounts, and benefit limitations shall be in accordance with the provisions of the NJFLI Program as administered by the State of New Jersey Department of Labor and Workforce Development. A formal appeal may be submitted to the State of New Jersey Department of Labor and Workforce Development if an employee or the Board disagrees with a determination on a claim.
 - c. The NJFLI Program provides eligible individuals a monetary benefit and not a leave benefit. The school district administrative and related staff will comply with the State of New Jersey Department of Labor and Workforce

Development requests for information in accordance with the provisions of N.J.A.C. 12:21-3.9.

- d. A printed notification of staff members' rights relative to the receipt of benefits under the NJFLI Program will be posted in each of the school district worksites and in a place or places accessible to all employees at the worksite.
- e. Each staff member shall receive a copy of this notification in writing at the time of the staff member's hiring, whenever the staff member provides written notice to the Superintendent of their intention to apply for benefits under the NJFLI Program, or at any time upon the first request of the staff member.
 - (1) The written notification may be transmitted to the staff member in electronic form.
 - (2) Access to and/or distribution of this Policy shall serve as school district notice to staff members of their rights under the NJFLI Program.

B. Federal Family and Medical Leave Act

1. Definitions Relative to Federal Family and Medical Leave Act

"Covered Employer" means any public or private elementary or secondary school(s) regardless of the number of employees employed.

"Employee" means a staff member eligible for family and medical leave in accordance with the Federal Family and Medical Leave Act (FMLA).

"Hours of Service" means hours actually worked by the employee. It does not mean hours paid. Thus, non-working time – such as vacations, holidays, furloughs, sick leave, or other time-off (paid or otherwise) – does not count for purposes of calculating FMLA eligibility for the employee.

"Parent" means a biological, adoptive, step, or foster father or mother, or any other individual who stood in loco parentis to a

staff member when a staff member has a son or daughter as defined below. This term does not include parents “in law.”

“Serious health condition” means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical facility or continuing treatment by a health care provider. “Serious health condition” may include treatment of substance abuse pursuant to 29 CFR §825.119.

“Son” or “daughter” means a biological, adopted, or foster child, stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age eighteen or age eighteen or older and incapable of self-care because of a mental or physical disability at the time that FMLA leave is to commence.

“Spouse” means a husband or wife. For purposes of this definition, husband or wife refers to the other person with whom an individual entered into marriage as defined or recognized under State law in the State in which the marriage was entered into or, in the case of a marriage entered into outside of any State, if the marriage is valid in the place where entered into and could have been entered into in at least one State. This definition includes an individual in a same-sex marriage or common law marriage.

“Week” or “Workweek” means the number of days a staff member normally works each calendar week.

2. Qualifying Reasons for FMLA Leave

- a. A staff member may take FMLA leave to provide care made necessary:
 - (1) For the birth of a son or daughter of a staff member and in order to care for such son or daughter;
 - (2) For the placement of a son or daughter with a staff member for adoption or foster care;

ADMINISTRATION
1643/page 20 of 40
Family Leave

- (3) In order to care for the spouse, son, daughter, or parent of a staff member if such spouse, son, daughter, or parent has a serious health condition;
 - (4) For a serious health condition that makes a staff member unable to perform the functions of the position of such staff member.
 - b. FMLA leave taken in relation to military service shall be in accordance with 29 CFR §825.112.
 - c. Entitlement to FMLA leave taken for the birth of a son or daughter or placement of a son or daughter with a staff member for adoption or foster care shall expire at the end of the twelve month period beginning on the date of such birth or placement.
 3. Staff Member Eligibility
 - a. A staff member is eligible for up to twelve weeks of FMLA leave in a twelve month period.
 - b. A staff member shall become eligible for FMLA leave after the staff member has been employed at least twelve months by the Board and employed for at least 1,250 hours of service during the twelve month period immediately preceding the commencement of the FMLA leave.
 - (1) The twelve months a staff member must have been employed need not be consecutive months pursuant to 29 CFR §825.110(b).
 - (2) The minimum 1,250 hours of service shall be determined according to the principles established under the Fair Labor Standards Act (FLSA) for determining compensable hours of work pursuant to 29 CFR §785.
 - (3) The Board shall not provide pay for FMLA leave.

- c. The method to determine the twelve month period in which the twelve weeks of FMLA leave entitlement occurs will be a “rolling” twelve month period measured backward from the date a staff member uses any FMLA leave.
 - d. Pursuant to 29 CFR §825.201, a husband and wife both employed by the Board are limited to a combined total of twelve weeks of FMLA leave during the twelve month period if the FMLA leave is taken for the birth of a son or daughter of a staff member or to care for such son or daughter after birth; for placement of a son or daughter with a staff member for adoption or foster care or in order to care for the son or daughter after placement; or to care for a staff member’s parent with a serious health condition.
4. Types of FMLA leave
- a. Continuous FMLA leave is taken by staff members for a continuous period of time. Such FMLA leave is not broken up by a period of work and is continuous when a staff member is absent for three consecutive working days or more. Continuous FMLA leave may be taken for any qualifying reason.
 - b. Intermittent FMLA leave is FMLA leave taken in separate blocks of time due to a single qualifying reason. A reduced FMLA leave schedule is a FMLA leave schedule that reduces a staff member’s usual number of working hours per workweek, or hours per workday. A reduced FMLA leave schedule is a change in a staff member’s schedule for a period of time, normally from full-time to part-time.
 - (1) Intermittent or reduced FMLA leave may be taken for the following qualifying reasons:
 - (a) For the serious health condition of the staff member or to care for a parent, son, or daughter with a serious health condition.

ADMINISTRATION
1643/page 22 of 40
Family Leave

- (i) For intermittent FMLA leave or FMLA leave on a reduced FMLA leave schedule taken for the reason outlined in B.4.b.(1)(a) above there must be a medical need for FMLA leave and it must be that such medical need can be best accommodated through an intermittent or reduced FMLA leave schedule.
 - (ii) The treatment regimen and other information described in the certification of a serious health condition and in the certification of a serious injury or illness, shall address the medical necessity of intermittent FMLA leave or FMLA leave on a reduced FMLA leave schedule.
 - (iii) Intermittent FMLA leave may be taken for a serious health condition of a parent, son, or daughter, for a staff member's own serious health condition, which requires treatment by a health care provider periodically, rather than for one continuous period of time, and may include FMLA leave of periods from an hour or more to several weeks.
- (b) For planned and/or unanticipated medical treatment of a serious health condition when medically necessary.
 - (c) To provide care or psychological comfort to a covered family member with a serious health condition when medically necessary.

ADMINISTRATION
1643/page 23 of 40
Family Leave

- (d) For absences where a staff member or family member is incapacitated or unable to perform the essential functions of the position because of a chronic serious health condition even if he or she does not receive treatment by a health care provider.
- (e) For FMLA leave taken after the birth of a healthy child or placement of a healthy child for adoption or foster care, only if the Board agrees.
 - (i) The Board's agreement is not required; however, for FMLA leave during which the mother has a serious health condition in connection with the birth of her child or if the newborn child has a serious health condition.
- (2) If a staff member needs FMLA leave intermittently or on a reduced FMLA leave schedule for planned medical treatment, then a staff member must make a reasonable effort to schedule the treatment so as not to disrupt unduly the Board's operations.
- (3) When a staff member takes FMLA leave on an intermittent or reduced FMLA leave schedule basis, the Board must account for the FMLA leave using an increment no greater than the shortest period of time that the Board uses to account for use of other forms of leave provided that it is not greater than one hour and provided further that a staff member's FMLA leave entitlement may not be reduced by more than the amount of FMLA leave actually taken.
 - (a) If the Board accounts for use of leave in varying increments at different times of the

day or shift, the Board may not account for FMLA leave in a larger increment than the shortest period used to account for other leave during the period in which the FMLA leave is taken.

- (b) If the Board accounts for other forms of leave use in increments greater than one hour, the Board must account for FMLA leave use in increments no greater than one hour.

5. Staff Member Notice Requirements

- a. A staff member eligible for FMLA leave must give at least a thirty day written advance notice to the Superintendent or designee if the need for the FMLA leave is foreseeable based on an expected birth, placement for adoption or foster care, or planned medical treatment for a serious health condition of a staff member or a family member.
 - (1) If thirty days is not practical, a staff member must provide notice “as soon as practicable” which means as soon as both possible and practical, taking into account all the facts and circumstances in the individual case.
 - (2) Where it is not possible to give as much as thirty days’ notice, “as soon as practical” ordinarily would mean at least verbal notification to the Superintendent or designee within one or two business days or when the need for FMLA leave becomes known to a staff member.
 - (3) The written notice shall include the reasons for the FMLA leave, the anticipated duration of the FMLA leave, and the anticipated start of the FMLA leave.

- (4) When planning medical treatment, a staff member must consult with the Superintendent or designee and make a reasonable effort to schedule the FMLA leave so as not to unduly disrupt the educational program, subject to the approval of the health care provider.
 - (a) Staff members are ordinarily expected to consult with the Superintendent or designee prior to scheduling of treatment that would require FMLA leave for a schedule that best suits the needs of the Board and a staff member.
 - (5) Intermittent FMLA leave or FMLA leave on a reduced FMLA leave schedule must be medically necessary due to a serious health condition or a serious injury or illness. A staff member shall advise the Board of the reasons why the intermittent/reduced FMLA leave schedule is necessary and of the schedule for treatment, if applicable.
 - (a) A staff member and the Board shall attempt to work out a schedule for such FMLA leave that meets a staff member's needs without unduly disrupting the Board's operations, subject to the approval of the health care provider.
 - (6) Where a staff member does not comply with the Board's usual notice and procedural requirements, and no unusual circumstances justify the failure to comply, FMLA-protected leave may be delayed or denied.
- b. When the approximate timing of the need for FMLA leave is not foreseeable, a staff member should give notice to the Superintendent or designee for FMLA leave as soon as

practicable under the facts and circumstances of the particular case.

- (1) It is expected a staff member will give notice to the Superintendent or designee within no more than one or two business days of learning of the need for FMLA leave, except in extraordinary circumstances where such notice is not foreseeable.
- (2) A staff member should provide notice to the Board either in person, by telephone, telegraph, fax machine, email, or other electronic means.

6. Outside Employment During FMLA Leave

- a. A staff member during any period of FMLA leave is prohibited from performing any services on a full-time basis for any person for whom a staff member did not provide services immediately prior to commencement of the FMLA leave.
 - (1) A staff member using FMLA leave may commence part-time employment that shall not exceed half the regularly scheduled hours worked for the Board.
 - (2) A staff member may continue the part-time employment that commenced prior to the FMLA leave at the same number of hours that a staff member was regularly scheduled prior to such FMLA leave.

7. “Instructional Employees” Exceptions for FMLA Leave

- a. “Instructional Employees” are those staff members whose principal function is to teach and instruct students in class, a small group, or in an individual setting. This term includes teachers, athletic coaches, driving instructors, and special education assistants, such as signers for the hearing impaired.

ADMINISTRATION
1643/page 27 of 40
Family Leave

- (1) Teacher assistants or aides who do not have as their principal job actual teaching or instructing, guidance counselors, child study team members, curriculum specialists, cafeteria workers, maintenance workers, and/or bus drivers are not considered instructional staff members for the purposes of this Policy.
 - (2) For purposes of this Policy “Instructional Employees” shall be referred to as “Instructional Staff Members”.
- b. “Semester” means the school semester that typically ends near the end of the calendar year and the end of the spring each school year. The Board can have no more than two semesters in a school year.
- c. FMLA leave taken at the end of the school year and continues into the beginning of the next school year is considered consecutive FMLA leave.
- d. Eligible instructional staff members that need intermittent or reduced FMLA leave to care for a family member or for a staff member’s own serious health condition which is foreseeable based on planned medical treatment and would be on FMLA leave more than twenty percent of the total number of working days over the period the FMLA leave would extend, the Board may:
- (1) Require a staff member to take the FMLA leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
 - (2) Transfer a staff member temporarily to an available alternative position for which a staff member is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of FMLA leave than does a staff member’s regular position.

- e. If the instructional staff member does not give the required notice for FMLA leave that is foreseeable and desires the FMLA leave to be taken intermittently or on a reduced FMLA leave schedule, the Board may require a staff member to take FMLA leave of a particular duration, or to transfer temporarily to an alternative position. Alternatively, the Board may require a staff member to delay taking the FMLA leave until the notice provision is met.
- f. If an instructional staff member begins FMLA leave more than five weeks before the end of the school year, the Board may require a staff member to continue taking FMLA leave until the end of the semester if:
 - (1) The FMLA leave will last three weeks; and
 - (2) A staff member would return to work during the three-week period before the end of the semester.
- g. If an instructional staff member begins FMLA leave for a purpose other than a staff member's own serious health condition during the five week period before the end of the semester, the Board may require a staff member to continue taking FMLA leave until the end of the semester if:
 - (1) The FMLA leave will last more than two weeks; and
 - (2) The staff member would return to work during the two week period before the end of the semester.
- h. If an instructional staff member begins FMLA leave for a purpose other than a staff member's own serious health condition during the three week period before the end of a semester, the Board may require a staff member to continue taking FMLA leave until the end of the semester if the FMLA leave will last more than five working days.

Family Leave

- i. An example of FMLA leave falling within the situations outlines in B.7.f., B.7.g., and B.7.h. above:
 - (1) If a staff member plans two weeks of FMLA leave to care for a family member which will begin three weeks before the end of the term, the Board could require a staff member to stay out on FMLA leave until the end of the term.
 - j. In the case of a staff member who is required to take FMLA leave until the end of an academic term, only the period of FMLA leave until a staff member is ready and able to return to work shall be charged against a staff member's FMLA leave entitlement.
 - k. The Board may require a staff member to stay on FMLA leave until the end of the school term. Any additional leave required by the Board to the end of the school term is not counted as FMLA leave; however:
 - (1) The Board shall be required to maintain a staff member's group health insurance; and
 - (2) The Board shall be required to restore a staff member to the same or equivalent job including other benefits at the conclusion of the leave.
8. FMLA Leave Related to Military Service
- a. Definitions for FMLA related to military service shall be in accordance with 29 CFR §§825.122; .126; .127; and .310.
 - b. The foreign deployment of the staff member's spouse, child, or parent in accordance with 29 CFR §§825.122 and .126:

ADMINISTRATION
1643/page 30 of 40
Family Leave

- (1) The district must grant an eligible staff member up to twelve work weeks of unpaid, job-protected FMLA leave during any twelve month period for qualifying exigencies that arise when the staff member's spouse, child, or parent is on covered active duty, or has been notified of an impending call or order to covered active duty.
 - c. Military caregiver FMLA leave provides care for a covered servicemember with a serious injury or illness in accordance with 29 CFR §§825.122 and .127:
 - (1) The district must grant up to a total of twenty-six workweeks of unpaid, job-protected FMLA leave during a "single twelve month period" to care for a covered servicemember with a serious injury or illness.
9. Verification
 - a. The Board shall require that a staff member's FMLA leave to care for a staff member's covered family member with a serious health condition, or due to a staff member's own serious health condition that makes a staff member unable to perform one or more of the essential functions of a staff member's position, be supported by a certification issued by the health care provider of a staff member or a staff member's family member.
 - (1) The Board must give written notice of a requirement for certification each time a certification is required. The Board's oral request to a staff member to furnish any subsequent certification is sufficient.
 - b. The Board shall require a staff member furnish certification at the time a staff member gives notice of the need for FMLA leave or within five business days thereafter, or, in the case of unforeseen FMLA leave, within five business days after the FMLA leave commences.

ADMINISTRATION
1643/page 31 of 40
Family Leave

- (1) The Board may request certification at some later date if the Board later has reason to question the appropriateness of the FMLA leave or its duration.
 - (2) A staff member must provide the requested certification to the Board within fifteen calendar days after the Board's request, unless it is not practicable under the particular circumstances to do so despite a staff member's diligent, good faith efforts or the Board provides more than fifteen calendar days to return the requested certification.
- c. When FMLA leave is taken because of a staff member's own serious health condition, or the serious health condition of a family member, the Board shall require a staff member to obtain a medical certification from a health care provider that sets forth the following information:
- (1) The name, address, telephone number, and fax number of the health care provider and type of medical practice/specialization;
 - (2) The approximate date on which the serious health condition commenced, and its probable duration;
 - (3) A statement or description of appropriate medical facts regarding the patient's health condition for which FMLA leave is requested. The medical facts must be sufficient to support the need for FMLA leave.
 - (a) Such medical facts may include information on symptoms, diagnosis, hospitalization, doctor visits, whether medication has been prescribed, any referrals for evaluation or treatment (physical therapy, for example), or any other regimen of continuing treatment;

ADMINISTRATION

- (4) If a staff member is the patient, information sufficient to establish that a staff member cannot perform the essential functions of a staff member's job as well as the nature of any other work restrictions, and the likely duration of such inability;
- (5) If the patient is a covered family member with a serious health condition, information sufficient to establish that the family member is in need of care, and an estimate of the frequency and duration of the FMLA leave required to care for the family member;
- (6) If a staff member requests FMLA leave on an intermittent or reduced schedule basis for planned medical treatment of a staff member's or a covered family member's serious health condition, information sufficient to establish the medical necessity for such intermittent or reduced schedule FMLA leave and an estimate of the dates and duration of such treatments and any periods of recovery;
- (7) If a staff member requests FMLA leave on an intermittent or reduced schedule basis for a staff member's serious health condition, including pregnancy, that may result in unforeseeable episodes of incapacity, information sufficient to establish the medical necessity for such intermittent or reduced schedule FMLA leave and an estimate of the frequency and duration of the episodes of incapacity; and

- (8) If a staff member requests FMLA leave on an intermittent or reduced schedule basis to care for a covered family member with a serious health condition, a statement that such FMLA leave is medically necessary to care for the family member, which can include assisting in the family member's recovery, and an estimate of the frequency and duration of the required FMLA leave.
 - d. A staff member may choose to comply with the certification requirement by providing the Board with an authorization, release, or waiver allowing the Board to communicate directly with the health care provider of a staff member or his or her covered family member.
 - (1) It is a staff member's responsibility to provide the Board with complete and sufficient certification and failure to do so may result in the denial of FMLA leave.
 - e. If the Board has reason to doubt the validity of a medical certification, the Board may require a staff member to obtain a second opinion at the Board's expense.
 - (1) The Board may designate the health care provider to furnish the second opinion, but the selected health care provider may not be employed on a regular basis by the Board.
 - f. If the opinions of a staff member's and the Board's designated health care providers differ, the Board may require a staff member to obtain certification from a third health care provider, again at the Board's expense. This third opinion shall be final and binding. The third health care provider must be designated or approved jointly by the Board and the staff member.
10. Reinstatement Following FMLA Leave

ADMINISTRATION
1643/page 34 of 40
Family Leave

- a. On return from FMLA leave a staff member is entitled to be returned to the same position a staff member held when FMLA leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.
 - (1) A staff member is entitled to such reinstatement even if a staff member has been replaced or his or her position has been restructured to accommodate for a staff member's absence.
 - (2) The requirement that a staff member be restored to the same or equivalent job with the same or equivalent pay, benefits, and terms and conditions of employment does not extend to de minimis, intangible, or unmeasurable aspects of the job.
- b. Denial of Reinstatement
 - (1) A staff member has no greater right to reinstatement or to other benefits and conditions of employment that if a staff member had been continuously employed during the FMLA leave period.
 - (a) The Board must be able to show that a staff member would not otherwise have been employed at the time reinstatement is requested in order to deny restoration to employment.
 - (2) The Board may deny job restoration to "key employees", if such denial is necessary to prevent substantial and grievous economic injury to the operations of the Board.
 - (a) A "key employee" is a salaried FMLA-eligible staff member who is among the highest paid ten percent of all staff members employed by the Board within seventy-five miles of a staff member's worksite.

ADMINISTRATION
1643/page 35 of 40
Family Leave

- (3) If a staff member is unable to perform an essential function of the position because of a physical or mental condition, including the continuation of a serious health condition or an injury or illness also covered by workers' compensation, a staff member has no right to restoration to another position under the FMLA.
 - (a) The Board's obligation may; however, be governed by the Americans with Disabilities Act, State leave law, or workers' compensation laws.
 - (4) A staff member who fraudulently obtains FMLA leave from the Board is not protected by FMLA's job restoration or maintenance of health benefits provisions.
- c. Intent to Return to Work
- (1) The Board may require a staff member on FMLA leave to report periodically on a staff member's status and intent to return to work.
- d. Fitness for Duty Certification
- (1) As a condition of restoring a staff member whose FMLA leave was a result of a staff member's own serious health condition that made a staff member unable to perform a staff member's job, the Board shall require all similarly-situated staff members (i.e., same occupation, same serious health condition) who take FMLA leave for such conditions to obtain and present certification from a staff member's health care provider that a staff member is able to resume work.

ADMINISTRATION
1643/page 36 of 40
Family Leave

- (2) A staff member has the same obligations to participate and cooperate in the fitness-for-duty certification process as in the initial certification process.

11. The Board of Education Notice

a. Notice of Staff Member Rights Under FMLA

- (1) The Board shall post and keep posted on its premises, in conspicuous places where staff members are employed, a notice explaining the FMLA's provisions and providing information concerning the procedures for filing complaints of violations of the FMLA with the Wage and Hour Division.
 - (a) The notice will be posted prominently where it can be readily seen by staff members and applicants for employment.
 - (b) The poster and the text will be large enough to be easily read and contain fully legible text.
 - (c) Electronic posting is sufficient to meet this posting requirement as long as it otherwise meets the requirements of B.11.
- (2) The Board shall also provide this general notice to each staff member by including the notice in staff members' handbooks or other written guidance to staff members concerning staff member benefits or FMLA leave rights, if such written materials exist, or by distributing a copy of the general notice to each new staff member upon hiring. In either case, distribution may be accomplished electronically.
- (3) Access to and/or distribution of this Policy shall serve as school district notice to staff members of their rights pursuant to 29 CFR §825 et seq.

b. Eligibility Notice

- (1) When a staff member requests FMLA leave, or when the Board acquires knowledge that a staff member's FMLA leave may be for an FMLA-qualifying reason, the Board must notify the staff member of the staff member's eligibility to take FMLA leave within five business days, absent extenuating circumstances.

c. Designation Notice

- (1) The Board is responsible in all circumstances for designating leave as FMLA-qualifying, and for giving notice of the designation to a staff member. The Board must notify a staff member whether the leave will be designated and will be counted as FMLA leave within five business days absent extenuating circumstances.
- (2) If the Board requires paid leave to be substituted for unpaid FMLA leave, or that paid leave taken under an existing leave plan be counted as FMLA leave, the Board must inform a staff member of this designation at the time of designating the FMLA leave.

12. Local Board of Education Practices

a. Substitution of Paid Leave

- (1) Whether a staff member is required to use sick time or any other accrued leave time concurrent with FMLA leave time will depend upon either the district's practice or a provision in the district's collective bargaining agreement, if applicable.

b. Maintenance of Staff Member Benefits

- (1) The Board must maintain a staff member's coverage under any group health plan on the same conditions as coverage would have been provided if a staff member had been continuously employed during the entire FMLA leave period.

C. Shared Provisions

1. Interference with Family Leave Rights

The NJFLA and the FMLA prohibit interference with a staff member's rights under the law, and with legal proceedings or inquiries relating to a staff member's rights. Unless permitted by the law, no staff member shall be required to take family leave or to extend family leave beyond the time requested. A staff member shall not be discriminated against for having exercised his/her rights under the NJFLA and the FMLA nor discouraged from the use of family leave.

2. Non-Tenured Teaching Staff

Family leave granted to a nontenured staff member cannot extend a staff member's employment beyond the expiration of his/her employment contract.

3. Record Keeping

The Superintendent or designee shall ensure the keeping of accurate attendance records that distinguish family leave from other kinds of leave so a staff member's entitlement to NJFLA leave and FMLA leave can be properly determined.

4. Processing of Complaints
 - a. New Jersey Family Leave Act
 - (1) Any complaint alleging a violation of the NJFLA shall be processed in the same manner as a complaint filed under the terms of N.J.S.A. 10:5-1 et seq. and N.J.A.C. 13:4 through the New Jersey Department of Law and Public Safety, Division on Civil Rights.
 - b. Federal Family and Medical Leave Act (FMLA)
 - (1) If there is a dispute between the Board and a staff member as to whether leave qualifies as FMLA leave, it should be resolved through discussion between the staff member and the Superintendent or designee. Such discussions and the decision shall be documented by the Superintendent or designee.
 - (2) A staff member also may file, or have another person file on his/her behalf, a complaint with the United States Secretary of Labor. A complaint may be filed in person, by mail, or by telephone with the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, at any local office of the Wage and Hour Division.
 - (3) This Policy 1643 shall be posted on the school district website, in a manner accessible to all staff members and a hard copy shall be provided to all staff members annually prior to the beginning of the school year and upon initial employment in the school district during the school year.

A. — Introduction

-
The Board will provide family leave in accordance with the Federal Family and Medical Leave Act (FMLA) and the New Jersey Family Leave Act (NJFLA).

-
~~FMLA leave for eligible staff members shall be up to twelve weeks leave of absence in a twelve month period upon advance notice to the district for the birth of a son or daughter of the staff member and in order to care for such son or daughter; for the placement of a son or daughter with the staff member for adoption or foster care; in order to care for the spouse, son, daughter, or parent of the staff member if such spouse, son, daughter, or parent has a serious health condition; or for a serious health condition that makes the staff member unable to perform the functions of the position of such staff member, or because of any qualifying exigency arising out of the fact that the staff member's spouse, son, daughter, or parent is a military member on active duty or call to covered active duty status (or has been notified of an impending call or order to covered active duty). In addition, eligible staff members may take up to a combined total of twenty six workweeks in a single twelve month period to care for a covered servicemember with a serious injury or illness.~~

-
~~NJFLA leave for teaching staff members shall be up to twelve weeks leave of absence in any twenty four month period upon advance notice to the district so that a staff member may provide care made necessary by the birth of a child of the staff member, the placement of a child with the staff member in connection with adoption of such child by the staff member, and the serious health condition of a spouse, parent, or child.~~

-
B. ~~Applicability~~

-
~~The Board will comply with requirements of the New Jersey and Federal Family Leave laws. The laws have similar and different provisions that may provide different rights and obligations for the staff member and/or the Board. The staff member shall be afforded the most favorable rights if there is a conflict in the rights afforded to the staff member under the two laws.~~

- ~~1. If the staff member is eligible for leave for reasons provided under the FMLA and NJFLA, then the time taken shall be concurrent and be applied to both laws.~~
- ~~2. The NJFLA provides twelve weeks leave in a twenty four month period while the FMLA provides twelve weeks leave in a twelve month period. A staff member is eligible for up to twelve weeks leave in the first twelve months of the twenty four month period under the NJFLA. A staff member is eligible for up to twelve weeks leave in the second twelve-month period under the FMLA.~~

-
3. ~~In the event the reason for the family leave is recognized under one law and not the other law, the staff member is eligible for each law's leave entitlements within one twelve-month period. (Example: A staff member may use their FMLA leave for a twelve-week family leave for their own pregnancy, which is considered a "serious health condition" under FMLA, and upon conclusion of the twelve-week FMLA leave, the staff member would be eligible for a twelve-week NJFLA leave to care for their newborn or any other reasons pursuant to the NJFLA.)~~
-

C. ~~Definitions~~

-

1. ~~Federal Family and Medical Leave Act (FMLA)~~

-

~~"Contingency operation" means a military operation that results in the call or order to, or retention on, active duty of members of the uniformed services during a war or during a national emergency declared by the President or Congress.~~

-

~~"Covered active duty" or "call to covered active duty" means duty during deployment of a member with the Armed Forces to a foreign country and, in the case of a member of the Reserve components of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country under a Federal call or order to active duty in support of a contingency operation.~~

-

~~"Covered servicemember" means a current member of the Armed Forces (including National Guard or Reserves), who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list for a serious injury or illness; or a covered veteran undergoing medical treatment, recuperation, or therapy for a serious injury or illness.~~

-

~~"Covered veteran" means an individual who was a member of the Armed Forces (including National Guard or Reserves), discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible staff member takes FMLA leave to care for the covered veteran. For a veteran discharged prior to March 8, 2013, the effective date of the FMLA Final Rule, the period between October 28, 2009 and March 8, 2013 will not count towards the determination of the five-year period. 29 CFR §825.127(b)(2)~~

-
~~“Military caregiver leave” means leave taken to care for a covered servicemember with a serious injury or illness under FMLA. 29 CFR §825.127~~

-
~~“Next of kin of a covered servicemember” means the nearest blood relative other than the covered servicemember's spouse, parent, son, or daughter, in the following order of priority: blood relatives who have been granted legal custody of the covered servicemember by court decree or statutory provisions, brothers and sisters, grandparents, aunts and uncles, and first cousins, unless the covered servicemember has specifically designated in writing another blood relative as his or her nearest blood relative for purposes of military caregiver leave under the FMLA. When no such designation is made, and there are multiple family members with the same level of relationship to the covered servicemember, all such family members shall be considered the covered servicemember's next of kin and may take FMLA leave to provide care to the covered servicemember, either consecutively or simultaneously. When such designation has been made, the designated individual shall be deemed to be the covered servicemember's only next of kin. For example, if a covered servicemember has three siblings and has not designated a blood relative to provide care, all three siblings would be considered the covered servicemember's next of kin. Alternatively, where a covered servicemember has a sibling(s) and designates a cousin as his or her next of kin for FMLA purposes, then only the designated cousin is eligible as the covered servicemember's next of kin. An employer is permitted to require an employee to provide confirmation of covered family relationship to the covered servicemember pursuant to 29 CFR §825.122(k). 29 CFR §825.127(d)(3)~~

-
~~“Outpatient status” means, with respect to a covered servicemember who is a current member of the Armed Forces, the status of a member of the Armed Forces assigned to either a military medical treatment facility as an outpatient; or a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients. 29 CFR §825.127(b)(1)~~

-
~~“Parent” means a biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the employee when the employee was a son or daughter as defined below. This term does not include parents “in law.”~~

-
~~“Serious injury or illness,” only in the case of a veteran or current member of the Armed Forces, means:~~

-
~~a. In the case of a current member of the Armed Forces, including a member of the National Guard or Reserves, an injury or illness that was incurred by the covered servicemember in the line of duty on active duty in the Armed Forces or that existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces and that may render the servicemember medically unfit to perform the duties of the member's office, grade, rank, or rating; and~~

-
~~b. In the case of a covered veteran, an injury or illness that was incurred by the member in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and manifested itself before or after the member became a veteran, and is:~~

-
~~(2) A physical or mental condition for which the covered veteran has received a U.S. Department of Veterans Affairs Service-Related Disability Rating (VASRD) of fifty percent or greater, and such VASRD rating is based, in~~

whole or in part, on the condition precipitating the need for military caregiver leave; or

(3) ~~A physical or mental condition that substantially impairs the covered veteran's ability to secure or follow a substantially gainful occupation by reason of a disability or disabilities related to military service, or would do so absent treatment; or~~

(4) ~~An injury, including a psychological injury, on the basis of which the covered veteran has been enrolled in the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers. 29 CFR §825.127(c)~~

~~"Son" or "daughter" means a biological, adopted, or foster child, stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age eighteen or age eighteen or older and incapable of self care because of a mental or physical disability at the time that FMLA leave is to commence.~~

~~“Parent” means a biological, adoptive, or foster parent; step parent; parent in law; a legal guardian having a “parent child relationship” with a child as defined by law; or a person who has sole or joint legal or physical custody, care, guardianship, or visitation with a child.~~

~~“Spouse” means a person to whom a staff member is lawfully married as defined by New Jersey law.~~

~~“Staff member” means an employee eligible for family leave in accordance with the New Jersey Family Leave Act.~~

~~“Week” or “Workweek” means the number of days a staff member normally works each calendar week.~~

~~D. Eligibility~~

~~1. Federal Family and Medical Leave Act (FMLA)~~

~~A staff member shall become eligible for FMLA leave after he/she has been employed at least twelve months in this district and employed for at least 1250 hours of service during the twelve month period immediately preceding the commencement of the leave. The twelve months the staff member must have been employed need not be consecutive months pursuant to 29 CFR §825.110(b). The minimum 1250 hours of service shall be determined according to the principles established under the Fair Labor Standards Act (FSLA) for determining compensable hours of work pursuant to 29 CFR §785. Entitlement to FMLA leave taken for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care shall expire at the end of the twelve-month period beginning on the date of such birth or placement.~~

~~Pursuant to 29 CFR §825.201, a husband and wife both employed by the district are limited to a combined total of twelve weeks of leave during the twelve month period if the leave is taken for the birth of a son or daughter of the staff member or to care for such son or daughter after birth; for placement of a son or daughter with the staff member for adoption or foster care or in order to care for the son or daughter after placement; or to care for the staff member's parent with a serious health condition.~~

~~The method to determine the twelve month period in which the twelve weeks of FMLA leave entitlement occurs will be the twelve month period measured forward from when the staff member's first leave begins.~~

~~A staff member during any period of FMLA leave is prohibited from performing any services on a full-time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member using FMLA leave may commence part time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part-time employment that commenced prior to the FMLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.~~

~~2. New Jersey Family Leave Act (NJFLA)~~

~~A staff member shall become eligible for NJFLA leave after he/she has been employed at least twelve months in this district for not less than 1,000 base hours, excluding overtime, during the immediate preceding twelve month period. The calculation of the twelve month period to determine eligibility shall commence with the commencement of the NJFLA leave. NJFLA leave taken for the birth or adoption of a healthy child may commence at any time within a year after the date of the birth or placement for adoption.~~

~~The district shall grant a family leave under NJFLA to more than one staff member from the same family (for example, a husband and a wife, or a brother and a sister) at the same time, provided such staff members are otherwise eligible for the leave. N.J.A.C. 13:14-1.12~~

~~A staff member during any period of the NJFLA leave is prohibited from performing any services on a full time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member on NJFLA leave may commence part time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part-time employment that commenced prior to the NJFLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.~~

~~The method to determine the twenty four month period in which the twelve weeks of NJFLA leave entitlement occurs will be the twenty four month period measured forward from when the staff member's first leave begins.~~

~~E. Types of Leave~~

~~1. Federal Family and Medical Leave Act (FMLA)~~

~~A staff member may take FMLA leave to include service member qualifying exigency leave or military caregiver leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program.~~

a. ~~Leave for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care may not be taken by a staff member intermittently or on a reduced leave schedule.~~

b. ~~Leave may be taken intermittently or on a reduced leave schedule when medically necessary for planned and/or unanticipated medical treatment of a related serious health condition by or under the supervision of a health care provider, or for recovery from treatment or recovery from a serious health condition.~~

c. ~~Intermittent leave means leave scheduled for periods of time from one hour or more to several weeks; however, the total time within which the leave is taken cannot exceed a twelve month period for each serious health condition episode. Intermittent leave may be taken for a serious health condition that requires periodic treatment by a health care provider, rather than one continuous period of time. Intermittent leave may also be taken for absences where the staff member is incapacitated or unable to perform the essential~~

~~functions of the position because of a serious health condition even if the staff member does not receive treatment by a health care provider. The staff member shall make a reasonable effort to schedule intermittent leave so as not to unduly disrupt the operations of the instructional/educational program.~~

d. ~~Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule not exceeding twenty four consecutive weeks. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.~~

FAMILY LEAVE (M)

-
e. ~~The fact that a holiday may occur within the week taken by a staff member as Family Leave has no effect and the week is counted as a week of Family Leave. However, if the staff member is out on Family Leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member's family leave entitlement.~~

-
~~Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.~~

-
f. ~~"Instructional employees" as defined in 29 CFR §825.600(c) are those staff members whose principal function is to teach and instruct students in class, a small group, or in an individual setting. This term includes teachers, athletic coaches, driving instructors, and special education assistants, such as signers for the hearing impaired. Teacher assistants or aides who do not have as their principal job actual teaching or instructing, guidance counselors, child study team members, curriculum specialists, cafeteria workers, maintenance workers and/or bus drivers are not considered instructional employees for the purposes of this policy. Semester as defined in 29 CFR §825.602(a)(3)(b) means the school semester that typically ends near the end of the calendar year and the end of the spring each school year. A school district can have no more than two semesters in a school year.~~

-
(1) ~~Leave taken at the end of the school year and continues into the beginning of the next school year is considered consecutive leave.~~

-
(2) ~~In accordance with 29 CFR §825.601(a)(1), eligible instructional staff members that need intermittent or reduced leave to care for a family member, or for the staff member's own serious health condition which is foreseeable based on planned medical treatment and the staff member would be on leave more than twenty percent~~

~~of the total number of working days over the period the leave would extend, the district:~~

- ~~(a) — May require the staff member to take the leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or~~
- ~~(b) — Transfer the staff member temporarily to an available alternative position for which the staff member is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than does the staff member's regular position.~~
- ~~(3) — In accordance with 29 CFR §825.601, if the instructional staff member does not give the required notice for leave that is foreseeable and desires the leave to be taken intermittently or on a reduced leave schedule, the district may require the staff member to take leave of a particular duration, or to transfer temporarily to an alternative position. Alternatively, the district may require the staff member to delay taking the leave until the notice provision is met.~~
- ~~(4) — In accordance with 29 CFR §825.602, if an instructional staff member begins leave more than five weeks before the end of the school year, the district may require the staff member to continue taking leave until the end of the semester if:
 - ~~(a) — The leave will last three weeks; and~~
 - ~~(b) — The staff member would return to work during the three-week period before the end of the semester.~~~~
- ~~(5) — In accordance with 29 CFR §825.602, if an instructional staff member begins leave for a purpose other than the staff member's own serious health condition during the five-week period before the end of the semester, the district may~~

require the staff member to continue taking leave until the end of the semester if:

- (a) — The leave will last more than two weeks; and
- (b) — The staff member would return to work during the two week period before the end of the semester.

(Example of leave falling within these provisions: If a staff member plans two weeks of leave to care for a family member which will begin three weeks before the end of the term, the district could require the staff member to stay out on leave until the end of the term.)

(6) — In accordance with 29 CFR §825.602, if an instructional staff member begins leave for a purpose other than the staff member's own serious health condition during the three week period before the end of a semester, the district may require the staff member to continue taking leave until the end of the semester if the leave will last more than five working days.

(7) — In the event the district requires the instructional staff member to take additional leave to the end of the semester in accordance with (4), (5), or (6) above, the additional leave days shall not be counted as FMLA leave.

g. — Servicemember qualifying exigency leave may arise out of the foreign deployment of the staff member's spouse, child, or parent 29 CFR §§825.122 and 126:

(1) — The district must grant an eligible staff member up to twelve work weeks of unpaid, job protected leave during any twelve month period for qualifying exigencies that arise when the staff member's spouse, child, or parent is on covered active duty, or has been notified of an impending call or order to covered active duty.

(2) — The military member must be the spouse, son, daughter, or parent of the staff member taking FMLA exigency leave.

- ~~(3) FMLA leave can be granted for one or more of the following exigencies:~~
- ~~(a) Short notice deployment:
 - ~~i. Notification of duty seven or less calendar days prior to date of deployment;~~
 - ~~ii. Leave can be used for a period of seven calendar days beginning on the date the military member is notified.~~~~
 - ~~(b) Military events and related activities, including official ceremonies, programs, or events sponsored by the military and related to the covered active duty or call to covered active duty status of the military member; and to attend family support or assistance programs and informational briefings sponsored or promoted by the military, military service organizations, or the American Red Cross.~~
 - ~~(c) Childcare and school activities including arranging for alternative childcare; providing childcare on an urgent, immediate need basis (not routine, regular, or everyday basis); to enroll in or transfer to a new school or day care facility; or to attend meetings with staff at a school or day care facility:
 - ~~i. The son or daughter must be the son or daughter of the covered service member.~~~~
 - ~~(d) Financial and legal arrangements made to address the military member's absence while on covered active duty or call to covered active duty status.~~
 - ~~(e) Counseling, provided by someone other than a health care provider for oneself, for the military member, or qualified child, if the need arises from the covered active duty or call to covered active duty status of the military member.~~

~~(f) — Rest and Recuperation (R&R) to spend time with the military member on short term, temporary R&R leave during a term of deployment:~~

~~i. — Can be used for a period of fifteen calendar days beginning on the date the military member commences each instance of R&R leave.~~

~~(g) — Post deployment activities such as ceremonies or briefings including any that arise from the death of the military member while on covered active duty.~~

~~(h) — Parental care for one meeting the definition of a “parent” and incapable of self care including: arranging alternative care; providing care on an immediate need basis; and to attend meetings or arrange services at a care facility.~~

~~(i) — Additional activities in accordance with 29 CFR §825.126(b)(9).~~

~~h. — Military caregiver leave provides care for a covered servicemember with a serious injury or illness 29 CFR §§825.122 and 127:~~

~~(1) — The district must grant up to a total of twenty six workweeks of unpaid, job-protected leave during a “single twelve-month period” to care for a covered servicemember with a serious injury or illness.~~

~~(a) — The eligible staff member must be the spouse, son, daughter, parent, or next of kin of the covered servicemember.~~

~~(b) — The staff member is limited to a combined total of twenty six workweeks for any FMLA qualifying reasons during the single twelve-month period. Up to twelve of the twenty six weeks may be for an~~

~~FMLA-qualifying reason other than military caregiver leave.~~

~~(e) Spouses who are eligible for FMLA leave and are employed by the same covered employer may be limited to a combined total of twenty-six workweeks of leave during a single twelve-month period if the leave is taken for birth of the employee's son or daughter or to care for the child after birth, for placement of a son or daughter with the employee for adoption or foster care, or to care for the child after placement, to care for the employee's parent with a serious health condition, or to care for a covered servicemember with a serious injury or illness. If one spouse is ineligible for FMLA leave, the other spouse would be entitled to a full twenty-six workweeks of FMLA leave.~~

~~(2) Leave entitlement is applied on a per covered servicemember, per injury basis.~~

~~(a) The staff member may take an additional twenty-six weeks of leave if the leave is to care for different covered servicemembers or to care for the same servicemember with a subsequent serious injury or illness, except that no more than twenty-six weeks of leave may be taken within any single twelve-month period.~~

~~(b) An eligible staff member may take military caregiver leave to care for more than one current service member or covered veteran at the same time or for the same family member with the same serious injury or illness both when the family member is a current servicemember and when the family member is a veteran.~~

~~(c) Military caregiver leave may be taken by eligible staff members whose family members are recent veterans with serious injuries or illnesses incurred or aggravated in the line of duty on active duty, and~~

that manifested before or after the veteran left active duty.

2. ~~New Jersey Family Leave Act (NJFLA)~~

~~A staff member may take NJFLA leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program. The district shall not require a staff member to take a leave of absence beyond the period of time the staff member requests family leave. N.J.A.C. 13:14-1.5(f)~~

a. ~~In the case of a family member who has a serious health condition, leave may be taken intermittently when medically necessary. The total time within which the leave is taken, can not exceed a twelve-month period for each serious health condition episode. The staff member will provide the district with prior notice of the leave in a manner which is reasonable and practicable; and the staff member shall make a reasonable effort to schedule the leave so as not to unduly disrupt the operations of the instructional/educational program. In the case of the birth or adoption of a healthy child, the leave may be taken intermittently only if agreed to by the staff member and the district.~~

b. ~~Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule for a period not exceeding twenty four consecutive weeks. The staff member is not entitled to take the leave on a reduced leave schedule without an agreement between the staff member and the district if the leave is taken for the birth or adoption of a healthy child. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable~~

and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.

- e. The fact that a holiday may occur within the week taken by a staff member as family leave has no effect and the week is counted as a week of family leave. However, if the staff member is out on family leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member's family leave entitlement.

Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.

F. Notice

1. Federal Family and Medical Leave Act (FMLA)

- a. ~~Foreseeable Leave~~ A staff member eligible for FMLA leave must give at least a thirty day written advance notice to the Superintendent or designee if the need for the leave is foreseeable based on an expected birth, placement for adoption of foster care, or planned medical treatment for a serious health condition of the staff member or a family member. If thirty days is not practical, the staff member must provide notice "as soon as practicable" which means as soon as both possible and practical, taking into account all the facts and circumstances in the individual case. For foreseeable leave where it is not possible to give as much as thirty days notice "as soon as practical" ordinarily would mean at least verbal notification to the Director of Human Resources within one or two business days or when the need for leave becomes known to the staff member. The written notice shall include the reasons for the leave, the anticipated duration of the leave and the anticipated start of the leave.

~~When planning medical treatment, the staff member must consult with the Director of Human Resources and make a reasonable~~

~~effort to schedule the leave so as not to unduly disrupt the educational~~

~~program, subject to the approval of the health care provider. Staff members are ordinarily expected to consult with the Director of Human Resources prior to scheduling of treatment that would require leave for a schedule that best suits the needs of the district and the staff member.~~

~~The district may delay the staff member taking leave for at least thirty days if the staff member fails to give thirty days notice for foreseeable leave with no reasonable excuse for the delay.~~

~~b. Unforeseeable Leave — When the approximate timing of the need for leave is not foreseeable, a staff member should give notice to the Director of Human Resources for leave as soon as practicable under the facts and circumstances of the particular case. It is expected the staff member will give notice to the Director of Human Resources within no more than one or two working days of learning of the need for leave, except in extraordinary circumstances where such notice is not foreseeable. The staff member should provide notice to the employer either in person or by telephone, telegraph, facsimile machine or other electronic means.~~

~~2. New Jersey Family Leave Act (NJFLA)~~

~~a. Foreseeable Leave — A staff member eligible for NJFLA leave must give at least a thirty day advance written notice to the Director of Human Resources of the need to take family leave except where the need to take family leave is not foreseeable.~~

~~(1) Notice for leave to be taken for the birth or placement of the child for adoption shall be given at least thirty days prior to the commencement of the leave, except that if the date of the birth or adoption requires leave to begin in less~~

than thirty days, the staff member shall provide such notice that is reasonable and practicable.

(2) — Notice for leave to be taken for the serious health condition of a family member shall be given at least fifteen days prior to the commencement of leave, except that if the date of the treatment or supervision requires leave to begin in less than fifteen days, the staff member shall provide such notice that is reasonable and practicable.

(3) — When the Director of Human Resources is not made aware that a staff member was absent for family leave reasons and the staff member wants to request the leave be counted as family leave, the staff member must provide timely notice within two business days of returning to work to have the time considered for family leave in accordance with the Family Leave Act.

b. — Unforeseeable Leave — When the need for leave is not foreseeable, the staff member must provide notice “as soon as practicable” which shall be at least verbal notice to the Director of Human Resources within one or two business days of the staff member learning of the need to take family leave. Whenever emergent circumstances make written notice impracticable, the staff member may give verbal notice to the Director of Human Resources, but any verbal notice must be followed by written notice delivered within five (5) working days.

G. — Leave Designation

An eligible staff member shall designate FMLA or NJFLA leave upon providing notice of the need for the leave or when the need for leave commences. The Director of Human Resources shall provide the staff member with this Policy to assist the staff member in determining the type of leave.

H. — Benefits

Whether a staff member is required to use sick time or any other accrued leave time concurrent with FMLA or NJFLA leave time will depend upon either the

~~district's practice or a provision in the district's collective bargaining agreement, if applicable. 29 CFR §825.100~~

~~The Board will maintain coverage under any group health insurance policy, group subscriber contract, or health care plan at the level and under the conditions coverage would have been provided if the staff member had continued to work instead of taking the leave. If the staff member was paying all or part of the premium payments prior to the leave, the staff member would continue to pay his/her share during the leave time. Any instructional employee who is on leave under NJFLA or FMLA at the end of the school year will be provided with any benefits over the summer that the staff member would normally receive if they had been working at the end of the school year.~~

~~I. Returning from Leave~~

~~The Federal Family and Medical Leave Act and/or the New Jersey Family Leave Act~~

~~A staff member returning from leave shall be entitled to the position he/she held when leave commenced or to an equivalent position of like seniority, status, employment benefits, pay and other conditions of employment. If the district experiences a reduction in force or layoff and the staff member would have lost his/her position had the staff member not been on family leave as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under any collective bargaining agreement, the staff member shall be entitled to reinstatement to the former or an equivalent position in accordance with applicable statutes, codes, and laws. The staff member's tenure and seniority rights, if any, and other benefits shall be preserved, but the staff member shall accrue no additional time toward tenure or seniority for the period of the leave, except as may be provided by law.~~

~~The return of a staff member prior to the expiration of the requested family leave may be permitted by the Board if the return does not unduly disrupt the instructional program or require the Board to incur the cost of continuing the employment of a substitute under contract.~~

~~The Board may, in accordance with the provisions of 29 CFR §825.312 delay restoration of employment of a staff member using FMLA leave for the staff member's serious health condition until the staff member submits a fitness for duty examination from his/her health care provider indicating that the staff~~

~~member is able to resume work. In the event the Board requires such a fitness-for duty examination before restoration of the staff member after leave, the Board will provide the staff member specific notice either at the time the staff member gives notice of the need for leave or immediately after the leave commences and the staff member advises the Board of the medical circumstances for the leave.~~

~~If leave is taken under FMLA, and the staff member does not return to work after the leave expires, the Board is entitled to recover health insurance costs paid while the staff member was on FMLA. The Board's right to recover premiums would not apply if the staff member fails to return to work due to:~~

- ~~1. The continuation, onset or recurrence of a serious health condition of the staff member; or~~
- ~~2. Circumstances beyond the staff member's control.~~

~~J. Ineligible Staff Members~~

- ~~1. Federal Family and Medical Leave Act (FMLA)~~

~~The district may deny job restoration after FMLA leave if the staff member is a "key employee" as defined in 29 CFR §825.217 if such denial is necessary to prevent substantial and grievous economic injury to the district or the district may delay restoration to a staff member who fails to provide a fitness for duty certificate to return to work for leave that was the staff member's own serious health condition. A "key employee" is a salaried, staff member who is among the highest paid ten percent of the school district staff employed by the district within 75 miles of the worksite. No more than ten percent of the school district staff within 75 miles of the worksite may be "key employees."~~

~~In the event the Director of Human Resources believes that reinstatement may be denied to a key employee, the Director of Human Resources must give written notice to the staff member at the time the staff member gives notice of the need for leave, or when the need for leave commences, if earlier, that he/she qualifies as a key employee. The key employee must be fully informed of the potential consequences with respect to reinstatement and maintenance of health benefits if the district should determine that substantial and grievous economic injury to the district's operations will result if the staff member is reinstated from leave. The district's notice must explain the basis for the district's finding that substantial and grievous economic injury will result, and if leave has~~

~~commenced, must provide the staff member a reasonable time in which to return to work. If the staff member on leave does not return to work in response to the notice of intent to deny restoration, the staff member continues to be entitled to maintenance of health insurance.~~

~~A key employee's rights under the FMLA continue unless and until the staff member either gives notice that he/she no longer wishes to return to work or the district actually denies reinstatement at the conclusion of the leave period. A staff member is still entitled to request reinstatement at the end of the leave period even if the staff member did not return to work in response to the district's notice. The district will then again determine whether there will be substantial and grievous economic injury from reinstatement based on the facts at that time. If it is determined that substantial and grievous economic injury will result, the district will notify the staff member in writing (in person or by certified mail) of the denial of the restoration.~~

~~2. New Jersey Family Leave Act~~

~~The district may deny family leave to the staff member if the staff member is a salaried employee who is among the highest paid five percent of the school district staff or one of the seven highest paid employees of the district, whichever is greater, if the denial is necessary to prevent substantial and grievous economic injury to the school district's operations. The Director of Human Resources shall notify the staff member of the intent to deny the leave at the time the Director of Human Resources determines the denial is necessary. If the leave has already commenced at the time of the district's notification of denial, the staff member shall be permitted to return to work within ten working days of the date of notification.~~

~~K. Verification of Leave~~

~~1. Federal Family and Medical Leave Act (FMLA)~~

~~The Board requires a staff member's FMLA leave to care for the staff member's seriously ill spouse, son, daughter, or parent; or for a servicemember's qualifying exigency or serious injury; or for illness due to the staff member's own serious health condition, that makes the staff member unable to perform one or more of the essential functions of the staff member's position, be supported by a certification issued by the~~

~~health care provider of the staff member or the staff member's ill family member. The medical certification required encompasses both physical and psychological care and includes situations where a family member is unable to care for his/her own basic medical, hygienic, or nutritional needs or safety, or is unable to transport himself/herself to the doctor. It can also include providing psychological comfort and reassurance beneficial to a child, spouse, or parent with a serious health condition who is receiving inpatient or home care and can include situations where the staff member may be needed to substitute for others who normally care for the family member or covered servicemember or to make arrangements for changes in care. The staff member need not be the only individual or family member available to care for the family member or covered servicemember. 29 CFR §§825.124~~

~~The certification must meet the requirements of 29 CFR §§825.306, 309, and 310 to include: which part of the definition of "serious health condition" applies; the approximate date the serious health condition commenced and its probable duration; whether it will be necessary for the staff member to take intermittent and/or reduced leave; whether the patient is presently incapacitated and the likely duration and frequency of episodes of incapacity; if additional treatments will be required for the condition; and/or if the patient's incapacity will be intermittent or will require reduced leave. The certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement.~~

~~In the event the Director of Human Resources doubts the validity of the certification, in accordance with 29 CFR §825.307, the district may require, at the district's expense, the staff member obtain an opinion regarding the serious health condition from a second health care provider designated by the district, but not employed on a regular basis by the district. If the second opinion differs from the staff member's health care provider, the district may require, at the district's expense, the staff member obtain the opinion of a third health care provider designated by the district or approved jointly, in good faith, by the district and the staff member. The opinion of the third health care provider shall be final and binding on the district and the staff member.~~

~~The district may require re-certification pursuant to the requirements of 29 CFR §825.308. In accordance with 29 CFR §825.309, the staff member on leave must provide a written report to the Director of Human Resources every thirty workdays. The report shall include the staff member's status and intended date to return to work. In the event the staff member's circumstances change, the staff member must provide reasonable notice to the Director of Human Resources if the staff member intends to return to work on a date sooner than previously noticed to the district. The staff member is not required to take more leave than necessary to resolve the circumstance that precipitated the need for leave. As a condition of returning to work after the leave for the staff member's own serious health condition, and in accordance with 29 CFR §825.310, the district requires a staff member to provide a certification from their health care provider that the staff member is able to resume work.~~

~~In accordance with 29 CFR §825.311, the district may delay the taking of FMLA leave to a staff member who fails to provide certification within fifteen days after being requested to do so by the district. In accordance with 29 CFR §825.312, the district may delay the taking of leave until thirty days after the date the staff member provides notice to the district of foreseeable leave or the district may delay continuation of leave if a staff member fails to provide a requested medical certification in a timely manner.~~

2. ~~New Jersey Family Leave Act~~

~~The Board shall require the certification of a duly licensed health care provider verifying the purpose of requested NJFLA leave. Certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement, whichever is appropriate.~~

~~In the event the Director of Human Resources doubts the validity of the certification for the serious health condition of a family member of the staff member, the district may require, at the district's expense, the staff member to obtain an opinion regarding the serious health condition from a second health care provider designated or approved, but not employed on a regular basis, by the district. If the second opinion differs from the~~

~~certification the district may require, at the district's expense, that the staff member obtain the opinion of a third health care provider designated or approved jointly by the district and the staff member concerning the serious health condition. The opinion of the third health care provider shall be final and binding on the district and the staff member.~~

L. ~~Interference with Family Leave Rights~~

~~The Federal Family and Medical Leave Act and the New Jersey Family Leave Act prohibit interference with a staff member's rights under the law, and with legal proceedings or inquiries relating to a staff member's rights. Unless permitted by the law, no staff member shall be required to take family leave or to extend family leave beyond the time requested. A staff member shall not be discriminated against for having exercised his/her rights under the Federal Family and Medical Leave Act or the New Jersey Family Leave Act nor discouraged from the use of family leave.~~

M. ~~Non-Tenured Teaching Staff~~

~~Family leave granted to a nontenured staff member cannot extend the staff member's employment beyond the expiration of his/her employment contract.~~

N. ~~Record Keeping~~

~~In order that staff member's entitlement to FMLA leave and NJFLA leave can be properly determined, the Superintendent shall ensure the keeping of accurate attendance records that distinguish family leave from other kinds of leave. The Superintendent will publish a notice explaining the Act's provisions and provide information concerning the procedures for filing complaints of violations of the FMLA and NJFLA.~~

A. Introduction

-

~~The Board will provide family leave in accordance with the Federal Family and Medical Leave Act (FMLA) and the New Jersey Family Leave Act (NJFLA).~~

~~FMLA leave for eligible staff members shall be up to twelve weeks leave of absence in a twelve month period upon advance notice to the district for the birth~~

~~of a son or daughter of the staff member and in order to care for such son or daughter; for the placement of a son or daughter with the staff member for adoption or foster care; in order to care for the spouse, son, daughter, or parent of the staff member if such spouse, son, daughter, or parent has a serious health condition; or for a serious health condition that makes the staff member unable to perform the functions of the position of such staff member, or because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a military member on active duty or call to covered active duty status (or has been notified of an impending call or order to covered active duty). In addition, eligible employees may take up to a combined total of twenty-six workweeks in a single twelve month period to care for a covered servicemember with a serious injury or illness.~~

~~NJFLA leave for eligible staff members shall be up to twelve weeks leave of absence in any twenty four month period upon advance notice to the district so that a staff member may provide care made necessary by the birth of a child of the staff member, the placement of a child with the staff member in connection with adoption of such child by the staff member, and the serious health condition of a spouse, parent, or child.~~

~~B.~~ ~~Applicability~~

~~The Board will comply with requirements of the New Jersey and Federal Family Leave laws. The laws have similar and different provisions that may provide different rights and obligations for the staff member and/or the Board. The staff member shall be afforded the most favorable rights if there is a conflict in the rights afforded to the staff member under the two laws.~~

- ~~1. If the staff member is eligible for leave for reasons provided under the FMLA and NJFLA, then the time taken shall be concurrent and be applied to both laws.~~
- ~~2. The NJFLA provides twelve weeks leave in a twenty four month period while the FMLA provides twelve weeks leave in a twelve month period. A staff member is eligible for up to twelve weeks leave in the first twelve months of the twenty four month period under the NJFLA. A staff member is eligible for up to twelve weeks leave in the second twelve-month period under the FMLA.~~
- ~~3. In the event the reason for the family leave is recognized under one law and not the other law, the staff member is eligible for each law's leave~~

~~entitlements within one twelve-month period. (Example: A staff member may use their FMLA leave for a twelve-week family leave for their own pregnancy, which is considered a “serious health condition” under FMLA, and upon conclusion of the twelve-week FMLA leave, the staff member would be eligible for a twelve-week NJFLA leave to care for their newborn or any other reasons pursuant to the NJFLA.)~~

~~C. Definitions~~

~~1. Federal Family and Medical Leave Act (FMLA)~~

~~“Contingency operation” means a military operation that results in the call or order to, or retention on, active duty of members of the uniformed services during a war or during a national emergency declared by the President or Congress.~~

~~“Covered active duty” or “call to covered active duty” means duty during deployment of a member with the Armed Forces to a foreign country and, in the case of a member of the Reserve components of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country under a Federal call or order to active duty in support of a contingency operation.~~

~~“Covered servicemember” means a current member of the Armed Forces (including National Guard or Reserves), who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list for a serious injury or illness; or a covered veteran undergoing medical treatment, recuperation, or therapy for a serious injury or illness.~~

~~“Covered veteran” means an individual who was a member of the Armed Forces (including National Guard or Reserves), discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible staff member takes FMLA leave to care for the covered veteran. For a veteran discharged prior to March 8, 2013, the effective date of the FMLA Final Rule, the period between October 28, 2009 and March 8, 2013 will not count towards the determination of the five-year period. 29 CFR § 825.127(b)(2)~~

~~“Military caregiver leave” means leave taken to care for a covered servicemember with a serious injury or illness under FMLA. 29 CFR §825.127~~

~~“Next of kin of a covered servicemember” means the nearest blood relative other than the covered servicemember’s spouse, parent, son, or daughter, in the following order of priority: blood relatives who have been granted legal custody of the covered servicemember by court decree or statutory provisions, brothers and sisters, grandparents, aunts and uncles, and first cousins, unless the covered servicemember has specifically designated in writing another blood relative as his or her nearest blood relative for purposes of military caregiver leave under the FMLA. When no such designation is made, and there are multiple family members with the same level of relationship to the covered servicemember, all such family members shall be considered the covered servicemember’s next of kin and may take FMLA leave to provide care to the covered servicemember, either consecutively or simultaneously. When such designation has been made, the designated individual shall be deemed to be the covered servicemember’s only next of kin. For example, if a covered servicemember has three siblings and has not designated a blood relative to provide care, all three siblings would be considered the covered servicemember’s next of kin. Alternatively, where a covered servicemember has a sibling(s) and designates a cousin as his or her next of kin for FMLA purposes, then only the designated cousin is eligible as the covered servicemember’s next of kin. An employer is permitted to require an employee to provide confirmation of covered family relationship to the covered servicemember pursuant to 29 CFR §825.122(k). 29 CFR §825.127(d)(3)~~

~~“Outpatient status” means, with respect to a covered servicemember who is a current member of the Armed Forces, the status of a member of the Armed Forces assigned to either a military medical treatment facility as an outpatient; or a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients. 29 CFR § 825.127(b)(1)~~

~~“Parent” means a biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the employee when the employee was a son or daughter as defined below. This term does not include parents “in law.”~~

~~“Parent of a covered servicemember” means a covered servicemember’s biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the covered servicemember. This term does not include parents “in law.”~~

~~“Serious health condition” means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical facility or continuing treatment by a health care provider. “Serious health condition” may include treatment of substance abuse pursuant to 29 CFR §825.119.~~

~~“Serious injury or illness,” only in the case of a veteran or current member of the Armed Forces, means:~~

~~a. In the case of a current member of the Armed Forces, including a member of the National Guard or Reserves, an injury or illness that was incurred by the covered servicemember in the line of duty on active duty in the Armed Forces or that existed before the beginning of the member’s active duty and was aggravated by service in the line of duty on active duty in the Armed Forces and that may render the servicemember medically unfit to perform the duties of the member’s office, grade, rank, or rating; and~~

~~b. In the case of a covered veteran, an injury or illness that was incurred by the member in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member’s active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and manifested itself before or after the member became a veteran, and is:~~

~~(1) A continuation of a serious injury or illness that was incurred or aggravated when the covered veteran was a member of the Armed Forces and rendered the servicemember unable to perform the duties of the servicemember’s office, grade, rank, or rating; or~~

~~(2) A physical or mental condition for which the covered veteran has received a U.S. Department of Veterans Affairs Service Related Disability Rating (VASRD) of fifty percent or greater, and such VASRD rating is based, in~~

whole or in part, on the condition precipitating the need for military caregiver leave; or

-
(3) ~~A physical or mental condition that substantially impairs the covered veteran's ability to secure or follow a substantially gainful occupation by reason of a disability or disabilities related to military service, or would do so absent treatment; or~~

-
(4) ~~An injury, including a psychological injury, on the basis of which the covered veteran has been enrolled in the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers. 29 CFR 825 §127(c)~~

-
~~"Single twelve-month period" means that a military caregiver's leave begins on the first day the staff member takes FMLA leave and ends twelve months after that date, regardless of the twelve-month period established by the district for other FMLA leave reasons. 29 CFR §825.127(e)(1)~~

-
~~"Son" or "daughter" means a biological, adopted, or foster child, stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age eighteen or age eighteen or older and incapable of self care because of a mental or physical disability at the time that FMLA leave is to commence.~~

-
~~"Son or daughter of the covered servicemember" means a covered servicemember's biological, adopted or foster child, stepchild, legal ward, or a child for whom the covered servicemember stood in loco parentis, and who is of any age. 29 CFR §825.127(d)(1)~~

-
~~"Son or daughter on covered active duty or call to covered active duty status" means the staff member's biological, adopted or foster child, stepchild, legal ward, or a child for whom the staff member stood in loco parentis, who is on covered active duty or call to covered active duty status, and who is of any age. 29 CFR §825.126(a)(5)~~

-
~~"Spouse" means a husband or wife. For purposes of this definition, husband or wife refers to the other person with whom an individual entered into marriage as defined or recognized under State law in the State in which the marriage was entered into or, in the case of a marriage~~

~~entered into outside of any State, if the marriage is valid in the place where entered into and could have been entered into in at least one State. This definition includes an individual in a same sex marriage or common law marriage. 29 CFR §825.122~~

~~“Staff member” means an employee eligible for family and medical leave in accordance with the Federal Family and Medical Leave Act (FMLA).~~

~~“Week” or “Workweek” means the number of days a staff member normally works each calendar week.~~

2. ~~New Jersey Family Leave Act (NJFLA)~~

~~“Child” means a biological, adopted or foster child, stepchild, legal ward, child of a parent who is under eighteen years of age or a child eighteen years of age or older but incapable of self care because of a mental or physical impairment.~~

~~“Continuing medical treatment” or “continuing supervision by a health care provider” means a period of incapacity or a period of absence in accordance with N.J.A.C. 13:14.~~

~~“Parent” means a biological, adoptive, or foster parent; step parent; parent in law; a legal guardian having a “parent child relationship” with a child as defined by law; or a person who has sole or joint legal or physical custody, care, guardianship, or visitation with a child.~~

~~“Serious health condition” means an illness, injury, impairment, or physical or mental condition that requires inpatient care in a hospital, hospice, or residential medical facility or continuing medical treatment or continuing supervision by a health care provider.~~

~~“Spouse” means a person to whom a staff member is lawfully married as defined by New Jersey law.~~

~~“Staff member” means an employee eligible for family leave in accordance with the New Jersey Family Leave~~

~~“Week” or “Workweek” means the number of days a staff member normally works each calendar week.~~

~~D. Eligibility~~

~~1. Federal Family and Medical Leave Act (FMLA)~~

~~A staff member shall become eligible for FMLA leave after he/she has been employed at least twelve months in this district and employed for at least 1250 hours of service during the twelve month period immediately preceding the commencement of the leave. The twelve months the staff member must have been employed need not be consecutive months pursuant to 29 CFR §825.110(b). The minimum 1250 hours of service shall be determined according to the principles established under the Fair Labor Standards Act (FSLA) for determining compensable hours of work pursuant to 29 CFR §785. Entitlement to FMLA leave taken for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care shall expire at the end of the twelve-month period beginning on the date of such birth or placement.~~

~~Pursuant to 29 CFR §825.201, a husband and wife both employed by the district are limited to a combined total of twelve weeks of leave during the twelve month period if the leave is taken for the birth of a son or daughter of the staff member or to care for such son or daughter after birth; for placement of a son or daughter with the staff member for adoption or foster care or in order to care for the son or daughter after placement; or to care for the staff member's parent with a serious health condition.~~

~~The method to determine the twelve month period in which the twelve weeks of FMLA leave entitlement occurs will be the twelve month period measured forward from when the staff member's first leave begins.~~

~~A staff member during any period of FMLA leave is prohibited from performing any services on a full-time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member using FMLA leave may commence part time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part-time employment that commenced prior to the FMLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.~~

~~2. New Jersey Family Leave Act (NJFLA)~~

~~A staff member shall become eligible for NJFLA leave after he/she has been employed at least twelve months in this district for not less than 1,000 base hours, excluding overtime, during the immediate preceding twelve month period. The calculation of the twelve month period to determine eligibility shall commence with the commencement of the NJFLA leave. NJFLA leave taken for the birth or adoption of a healthy child may commence at any time within a year after the date of the birth or placement for adoption.~~

~~The district shall grant a family leave under NJFLA to more than one staff member from the same family (for example, a husband and a wife, or a brother and a sister) at the same time, provided such staff members are otherwise eligible for the leave. N.J.A.C. 13:14-1.12~~

~~A staff member during any period of the NJFLA leave is prohibited from performing any services on a full time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member on NJFLA leave may commence part time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part-time employment that commenced prior to the NJFLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.~~

~~The method to determine the twenty four month period in which the twelve weeks of NJFLA leave entitlement occurs will be the twenty four month period measured forward from when the staff member's first leave begins.~~

~~E. Types of Leave~~

~~1. Federal Family and Medical Leave Act (FMLA)~~

~~A staff member may take FMLA leave to include servicemember qualifying exigency leave or military caregiver leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program.~~

- a. ~~Leave for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care may not be taken by a staff member intermittently or on a reduced leave schedule.~~
-
- b. ~~Leave may be taken intermittently or on a reduced leave schedule when medically necessary for planned and/or unanticipated medical treatment of a related serious health condition by or under the supervision of a health care provider, or for recovery from treatment or recovery from a serious health condition.~~
-
- c. ~~Intermittent leave means leave scheduled for periods of time from one hour or more to several weeks; however, the total time within which the leave is taken can not exceed a twelve month period for each serious health condition episode. Intermittent leave may be taken for a serious health condition that requires periodic treatment by a health care provider, rather than one continuous period of time. Intermittent leave may also be taken for absences where the staff member is incapacitated or unable to perform the essential functions of the position because of a serious health condition even if the staff member does not receive treatment by a health care provider. The staff member shall make a reasonable effort to schedule intermittent leave so as not to unduly disrupt the operations of the instructional/educational program.~~
-
- d. ~~Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule not exceeding twenty four consecutive weeks. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.~~
-

e. ~~The fact that a holiday may occur within the week taken by a staff member as Family Leave has no effect and the week is counted as a week of Family Leave. However, if the staff member is out on Family Leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member's family leave entitlement.~~

~~Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.~~

f. ~~Servicemember qualifying exigency leave may arise out of the foreign deployment of the staff member's spouse, child, or parent 29 CFR §§825.122 and 126:~~

~~(1) The district must grant an eligible staff member up to twelve work weeks of unpaid, job-protected leave during a twelve-month period for qualifying exigencies that arise when the staff member's spouse, child, or parent is on covered active duty, or has been notified of an impending call or order to covered active duty.~~

~~(2) The military member must be the spouse, son, daughter, or parent, of the staff member taking FMLA exigency leave.~~

~~(3) FMLA leave can be granted for one or more of the following exigencies:~~

~~(a) Short notice deployment:~~

~~i. Notification of duty seven or less calendar days prior to date of deployment;~~

~~ii. Leave can be used for a period of seven calendar days beginning on the date the military member is notified.~~

- ~~(b) Military events and related activities, including official ceremonies, programs, or events sponsored by the military and related to the covered active duty or call to covered active duty status of the military member; and to attend family support or assistance programs and informational briefings sponsored or promoted by the military, military service organizations, or the American Red Cross.~~
- ~~(c) Childcare and school activities including arranging for alternative childcare; providing childcare on an urgent, immediate need basis (not routine, regular, or everyday basis); to enroll in or transfer to a new school or day care facility; or to attend meetings with staff at a school or day care facility:
 - ~~i. The son or daughter must be the son or daughter of the covered servicemember.~~~~
- ~~(d) Financial and legal arrangements made to address the military member's absence while on covered active duty or call to covered active duty status.~~
- ~~(e) Counseling, provided by someone other than a health care provider for oneself, for the military member, or qualified child, if the need arises from the covered active duty or call to covered active duty status of the military member.~~
- ~~(f) Rest and Recuperation (R&R) to spend time with the military member on short term, temporary R&R leave during a term of deployment:
 - ~~i. Can be used for a period of fifteen calendar days beginning on the date the military member commences each instance of R&R leave.~~~~
- ~~(g) Post deployment activities such as ceremonies or briefings including any that arise from the death of the military member while on covered active duty.~~

~~(a) The staff member may take an additional twenty six weeks of leave if the leave is to care for different covered servicemembers or to care for the same servicemember with a subsequent serious injury or illness, except that no more than twenty six weeks of leave may be taken within any single twelve-month period.~~

~~2. New Jersey Family Leave Act (NJFLA)~~

~~A staff member may take NJFLA leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program. The district shall not require a staff member to take a leave of absence beyond the period of time the staff member requests family leave. N.J.A.C. 13:14-1.5(f)~~

- a. ~~In the case of a family member who has a serious health condition, leave may be taken intermittently when medically necessary. The total time within which the leave is taken, can not exceed a twelve month period for each serious health condition episode. The staff member will provide the district with prior notice of the leave in a manner which is reasonable and practicable; and the staff member shall make a reasonable effort to schedule the leave so as not to unduly disrupt the operations of the instructional/educational program. In the case of the birth or adoption of a healthy child, the leave may be taken intermittently only if agreed to by the staff member and the district.~~
- b. ~~Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the~~
- ~~district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule for a period not exceeding twenty four consecutive weeks. The staff member is not entitled to take the leave on a reduced leave schedule without an agreement between the staff member and the district if the leave is taken for the birth or adoption of a healthy child. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.~~
- e. ~~The fact that a holiday may occur within the week taken by a staff member as family leave has no effect and the week is counted as a week of family leave. However, if the staff member is out on family leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member's family leave entitlement.~~

~~Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.~~

F. ~~Notice~~

~~-~~
1. ~~Federal Family and Medical Leave Act (FMLA)~~

~~-~~
a. ~~Foreseeable Leave~~ — ~~A staff member eligible for FMLA leave must give at least a thirty day written advance notice to the Superintendent or designee if the need for the leave is foreseeable based on an expected birth, placement for adoption of foster care, or~~

~~-~~
~~planned medical treatment for a serious health condition of the staff member or a family member. If thirty days is not practical, the staff member must provide notice “as soon as practicable” which means as soon as both possible and practical, taking into account all the facts and circumstances in the individual case. For foreseeable leave where it is not possible to give as much as thirty days’ notice “as soon as practical” ordinarily would mean at least verbal notification to the Director of Human Resources within one or two business days or when the need for leave becomes known to the staff member. The written notice shall include the reasons for the leave, the anticipated duration of the leave and the anticipated start of the leave.~~

~~-~~
~~When planning medical treatment, the staff member must consult with the Director of Human Resources and make a reasonable effort to schedule the leave so as not to unduly disrupt the educational program, subject to the approval of the health care provider. Staff members are ordinarily expected to consult with the Director of Human Resources prior to scheduling of treatment that would require leave for a schedule that best suits the needs of the district and the staff member.~~

~~-~~
~~The district may delay the staff member taking leave for at least thirty days if the staff member fails to give thirty days notice for foreseeable leave with no reasonable excuse for the delay.~~

-
b. ~~Unforeseeable Leave~~—When the approximate timing of the need for leave is not foreseeable, a staff member should give notice to the Director of Human Resources for leave as soon as practicable under the facts and circumstances of the particular case. It is expected the staff member will give notice to the Director of Human Resources within no more than one or two working days of learning of the need for leave, except in extraordinary circumstances where such notice is not foreseeable. The staff member should provide notice to the employer either in person or by telephone, telegraph, facsimile machine or other electronic means.

-
2. ~~New Jersey Family Leave Act (NJFLA)~~
-

a. ~~Foreseeable Leave~~—A staff member eligible for NJFLA leave must give at least a thirty day advance written notice to the Director of Human Resources of the need to take family leave except where the need to take family leave is not foreseeable.

-
(1) ~~Notice for leave to be taken for the birth or placement of the child for adoption shall be given at least thirty days prior to the commencement of the leave, except that if the date of the birth or adoption requires leave to begin in less than thirty days, the staff member shall provide such notice that is reasonable and practicable.~~

-
(2) ~~Notice for leave to be taken for the serious health condition of a family member shall be given at least fifteen days prior to the commencement of leave, except that if the date of the treatment or supervision requires leave to begin in less than fifteen days, the staff member shall provide such notice that is reasonable and practicable.~~

-
(3) ~~When the Director of Human Resources is not made aware that a staff member was absent for family leave reasons and the staff member wants to request the leave be counted as family leave, the staff member must provide timely notice within two business days of returning to work to have the time considered for family leave in accordance with the Family Leave Act.~~

~~e. Unforeseeable Leave—When the need for leave is not foreseeable, the staff member must provide notice “as soon as practicable” which shall be at least verbal notice to the Director of Human Resources within one or two business days of the staff member learning of the need to take family leave. Whenever emergent circumstances make written notice impracticable, the staff member may give verbal notice to the Director of Human Resources, but any verbal notice must be followed by written notice delivered within two (2) working days.~~

~~G. Leave Designation~~

~~An eligible staff member shall designate FMLA or NJFLA leave upon providing notice of the need for the leave or when the need for leave commences. The Director of Human Resources shall provide the staff member with this Policy to assist the staff member in determining the type of leave.~~

~~H. Benefits~~

~~Whether a staff member is required to use sick time or any other accrued leave time concurrent with FMLA or NJFLA leave time will depend upon either the district’s practice or a provision in the district’s collective bargaining agreement, if applicable. 29 CFR §825.100~~

~~The Board will maintain coverage under any group health insurance policy, group subscriber contract, or health care plan at the level and under the conditions coverage would have been provided if the staff member had continued to work instead of taking the leave. If the staff member was paying all or part of the premium payments prior to the leave, the staff member would continue to pay his/her share during the leave time. Any ten month staff member who is on leave under NJFLA or FMLA at the end of the school year will be provided with any benefits over the summer that the staff member would normally receive if they had been working at the end of the school year.~~

~~I. Returning from Leave~~

~~The Federal Family and Medical Leave Act and/or the New Jersey Family Leave Act~~

~~A staff member returning from leave shall be entitled to the position he/she held when leave commenced or to an equivalent position of like seniority, status,~~

~~employment benefits, pay and other conditions of employment. If the district experiences a reduction in force or layoff and the staff member would have lost his/her position had the staff member not been on family leave as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under any collective bargaining agreement, the staff member shall be entitled to reinstatement to the former or an equivalent position in accordance with applicable statutes, codes, and laws. The staff member's tenure and seniority rights, if any, and other benefits shall be preserved,~~

~~but the staff member shall accrue no additional time toward tenure or seniority for the period of the leave, except as may be provided by law.~~

~~The return of a staff member prior to the expiration of the requested family leave may be permitted by the Board if the return does not unduly disrupt the instructional program or require the Board to incur the cost of continuing the employment of a substitute under contract.~~

~~The Board may, in accordance with the provisions of 29 CFR §825.312 delay restoration of employment of a staff member using FMLA leave for the staff member's serious health condition until the staff member submits a fitness-for-duty examination from his/her health care provider indicating that the staff member is able to resume work. In the event the Board requires such a fitness-for-duty examination before restoration of the staff member after leave, the Board will provide the staff member specific notice either at the time the staff member gives notice of the need for leave or immediately after the leave commences and the staff member advises the Board of the medical circumstances for the leave.~~

~~If leave is taken under FMLA, and the staff member does not return to work after the leave expires, the Board is entitled to recover health insurance costs paid while the staff member was on FMLA. The Board's right to recover premiums would not apply if the staff member fails to return to work due to:~~

- ~~1. The continuation, onset or recurrence of a serious health condition of the staff member; or~~
- ~~2. Circumstances beyond the staff member's control.~~

~~J. Ineligible Staff Members~~

- ~~1. Federal Family and Medical Leave Act (FMLA)~~

~~The district may deny job restoration after FMLA leave if the staff member is a “key employee” as defined in 29 CFR §825.217 if such denial is necessary to prevent substantial and grievous economic injury to the district or the district may delay restoration to a staff member who fails to provide a fitness for duty certificate to return to work for leave that was the staff member’s own serious health condition. A “key employee” is a salaried, staff member who is among the highest paid ten percent of the~~

~~school district staff employed by the district within 75 miles of the worksite. No more than ten percent of the school district staff within 75 miles of the worksite may be “key employees.”~~

~~In the event the Director of Human Resources believes that reinstatement may be denied to a key employee, the Director of Human Resources must give written notice to the staff member at the time the staff member gives notice of the need for leave, or when the need for leave commences, if earlier, that he/she qualifies as a key employee. The key employee must be fully informed of the potential consequences with respect to reinstatement and maintenance of health benefits if the district should determine that substantial and grievous economic injury to the district’s operations will result if the staff member is reinstated from leave. The district’s notice must explain the basis for the district’s finding that substantial and grievous economic injury will result, and if leave has commenced, must provide the staff member a reasonable time in which to return to work. If the staff member on leave does not return to work in response to the notice of intent to deny restoration, the staff member continues to be entitled to maintenance of health insurance.~~

~~A key employee’s rights under the FMLA continue unless and until the staff member either gives notice that he/she no longer wishes to return to work or the district actually denies reinstatement at the conclusion of the leave period. A staff member is still entitled to request reinstatement at the end of the leave period even if the staff member did not return to work in response to the district’s notice. The district will then again determine whether there will be substantial and grievous economic injury from reinstatement based on the facts at that time. If it is determined that substantial and grievous economic injury will result, the district will notify the staff member in writing (in person or by certified mail) of the denial of the restoration.~~

2. — New Jersey Family Leave Act

~~The district may deny family leave to the staff member if the staff member is a salaried employee who is among the highest paid five percent of the school district staff or one of the seven highest paid employees of the district, whichever is greater, if the denial is necessary to prevent substantial and grievous economic injury to the school district's~~

~~operations. The Director of Human Resources shall notify the staff member of the intent to deny the leave at the time the Director of Human Resources determines the denial is necessary. If the leave has already commenced at the time of the district's notification of denial, the staff member shall be permitted to return to work within ten working days of the date of notification.~~

~~K. Verification of Leave~~

~~1. Federal Family and Medical Leave Act (FMLA)~~

~~The Board requires a staff member's FMLA leave to care for the staff member's seriously ill spouse, son, daughter, or parent; or for a servicemember's qualifying exigency or serious injury; or for illness due to the staff member's own serious health condition, that makes the staff member unable to perform one or more of the essential functions of the staff member's position, be supported by a certification issued by the health care provider of the staff member or the staff member's ill family member. The medical certification required encompasses both physical and psychological care and includes situations where a family member is unable to care for his/her own basic medical, hygienic, or nutritional needs or safety, or is unable to transport himself/herself to the doctor. It can also include providing psychological comfort and reassurance beneficial to a child, spouse, or parent with a serious health condition who is receiving inpatient or home care and can include situations where the staff member may be needed to substitute for others who normally care for the family member or covered servicemember or to make arrangements for changes in care. The staff member need not be the only individual or family member available to care for the family member or covered servicemember. 29 CFR §§25.124~~

~~The certification must meet the requirements of 29 CFR §§825.306, 309, and 310 to include: which part of the definition of "serious health~~

condition” applies; the approximate date the serious health condition commenced and its probable duration; whether it will be necessary for the staff member to take intermittent and/or reduced leave; whether the patient is presently incapacitated and the likely duration and frequency of episodes of incapacity; if additional treatments will be required for the condition; and/or if the patient’s incapacity will be intermittent or will require reduced leave. The certification of a serious health condition of a

family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider’s knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement.

In the event the Director of Human Resources doubts the validity of the certification, in accordance with 29 CFR §825.307, the district may require, at the district’s expense, the staff member obtain an opinion regarding the serious health condition from a second health care provider designated by the district, but not employed on a regular basis by the district. If the second opinion differs from the staff member’s health care provider, the district may require, at the district’s expense, the staff member obtain the opinion of a third health care provider designated by the district or approved jointly, in good faith, by the district and the staff member. The opinion of the third health care provider shall be final and binding on the district and the staff member.

The district may require re-certification pursuant to the requirements of 29 CFR §825.308. In accordance with 29 CFR §825.309, the staff member on leave must provide a written report to the Director of Human Resources every thirty workdays. The report shall include the staff member’s status and intended date to return to work. In the event the staff member’s circumstances change, the staff member must provide reasonable notice to the Director of Human Resources if the staff member intends to return to work on a date sooner than previously noticed to the district. The staff member is not required to take more leave than necessary to resolve the circumstance that precipitated the need for leave. As a condition of returning to work after the leave for the staff member’s own serious health condition, and in accordance with 29 CFR §825.310, the district requires a staff member to provide a certification from their health care provider that the staff member is able to resume work.

~~In accordance with 29 CFR §825.311, the district may delay the taking of FMLA leave to a staff member who fails to provide certification within fifteen days after being requested to do so by the district. In accordance with 29 CFR §825.312, the district may delay the taking of leave until~~

~~thirty days after the date the staff member provides notice to the district of foreseeable leave or the district may delay continuation of leave if a staff member fails to provide a requested medical certification in a timely manner.~~

~~2. New Jersey Family Leave Act~~

~~The Board shall require the certification of a duly licensed health care provider verifying the purpose of requested NJFLA leave. Certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement, whichever is appropriate.~~

~~In the event the Director of Human Resources doubts the validity of the certification for the serious health condition of a family member of the staff member, the district may require, at the district's expense, the staff member to obtain an opinion regarding the serious health condition from a second health care provider designated or approved, but not employed on a regular basis, by the district. If the second opinion differs from the certification the district may require, at the district's expense, that the staff member obtain the opinion of a third health care provider designated or approved jointly by the district and the staff member concerning the serious health condition. The opinion of the third health care provider shall be final and binding on the district and the staff member.~~

~~L. Interference with Family Leave Rights~~

~~The Federal Family and Medical Leave Act and the New Jersey Family Leave Act prohibit interference with a staff member's rights under the law, and with legal proceedings or inquiries relating to a staff member's rights. Unless permitted by the law, no staff member shall be required to take family leave or to extend family leave beyond the time requested. A staff member shall not be discriminated against for having exercised his/her rights under the Federal Family~~

~~and Medical Leave Act or the New Jersey Family Leave Act nor discouraged from the use of family leave.~~

~~-~~
~~-~~
M. ~~Non-Tenured Staff Member~~

~~-~~
Family leave granted to a nontenured staff member cannot extend the staff member's employment beyond the expiration of his/her employment contract.

~~-~~
N. ~~Record Keeping~~

~~-~~
In order that staff member's entitlement to FMLA leave and NJFLA leave can be properly determined, the Superintendent shall ensure the keeping of accurate attendance records that distinguish family leave from other kinds of leave. The Superintendent will publish a notice explaining the Act's provisions and provide information concerning the procedures for filing complaints of violations of the FMLA and NJFLA.

~~-~~
O. ~~Processing of Complaints~~

~~-~~
1. ~~Federal Family and Medical Leave Act (FMLA) 29 CFR §§825.400-401~~

~~-~~
a. ~~If there is a dispute between the district and a staff member as to whether leave qualifies as FMLA leave, it should be resolved through discussion between the staff member and the district. Such discussions and the decision shall be documented by the school district.~~

~~-~~
b. ~~The staff member also may file, or have another person file on his/her behalf, a complaint with the United States Secretary of Labor. A complaint may be filed in person, by mail, or by telephone with the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, at any local office of the Wage and Hour Division.~~

~~-~~
2. ~~New Jersey Family Leave Act N.J.A.C. 13:14-1.16~~
