#### X. SUPERINTENDENT'S REPORT

Superintendent, Dr. Radulic, reported the following:

- Today was the first day for our Roxbury teachers. We met at the Meeker Street Pavillion for Opening Day events. Along with celebrating our reunion, we also learned more about our Portrait of a Graduate from the student perspective. I think it set the tone for a very successful year.
- I also want to make a comment regarding the Executive Order that mandated masks. While we are mindful of the opposition to the mandate for mask wearing in the schools, it is notable that the wearing of masks, together with the other health protocols that this district implemented and will continue to implement, resulted in being able to keep our schools open for all the students. When there is a confirmed case with contact tracing, we must quarantine staff and students, which means a detrimental educational impact on many students. We want the students to attend school every day this year and hope that you and your family will cooperate with us so that we have that opportunity. Whether we agree or not, it is an Executive Order and this district has no other option but to comply.
- As stated in my letter, students who are identified as a school-related close contact, will be
  permitted to stream into classrooms while quarantined. Also, families are asked to complete a
  Health Form that acknowledges the District's expectations in place of the daily health screening
  app that was used last year.
- We recognize that these are trying times and there seems to be more issues dividing us than
  unifying us. Therefore, it will be important for our students in grades 7 12 to participate in the
  Universal Mental Health Screening that will be administered in September and January. Please
  keep in mind that these screenings offer an additional support. We keep an eye and care about all
  of our students, pre-K to graduation.

- Our Saturday Support program was a successful support for our students last year and we've
  decided to keep it in place throughout this year. Students will be invited to participate. Nonetheless,
  parents, feel free to reach out to your child's teacher if you feel this program would be a benefit for
  your child and if there is room, I'm certain they will be invited.
- I wish you all a wonderful school year. We are certainly happy to have our staff and students back in our classrooms and hallways.

# XI. BUSINESS ADMINISTRATOR'S REPORT

Business Administrator, Mr. Joseph Mondanaro, reported the following:

- The District received over \$1.4 million in ARP ESSER funds. We will be moving forward on HVAC upgrades. Some of those upgrades will include air conditioning.
- 3.Last week, our entire fleet of buses once again received a thorough hospital grade biodecontamination
- 4.On Wednesday, we are meeting with FEMA representatives regarding winter storm *Orlena*. This was the storm from February 1<sup>st</sup> that dropped over two feet of snow.
- 5.I just want to thank Peter Riffel and his Buildings and Grounds crew for getting us ready for the first day of school. I don't think our grounds ever looked so good.

### 5460.02 BRIDGE YEAR PILOT PROGRAM

The New Jersey Commissioner of Education has established a three-year "Bridge Year Pilot Program," under which each school district with a high school shall offer students in the graduating classes of 2021 and 2022 the opportunity to pursue a Bridge Year during the year immediately following their senior year of high school, in accordance with the provisions of P.L. 2020 c.41. The purpose of the Bridge Year Pilot Program shall be to provide participating students an additional year to address learning loss and missed opportunities in extracurricular activities, including spring sports programs, as a result of the public health state of emergency caused by the COVID-19 pandemic.

For the purpose of this Policy, "host high school" means the high school that a student, who pursues a Bridge Year pursuant to the provisions of P.L. 2020 c.41, attended as a junior in high school.

Under the Bridge Year Pilot Program, each high school in a school district shall designate a school staff member as a Bridge Year Liaison to serve as the school's central point of contact for students interested in pursuing a Bridge Year and for students participating in a Bridge Year. Nothing in P.L. 2020 c.41 shall be construed to require a school district to hire an individual to serve as a Bridge Year Liaison.

To be eligible to participate in the Bridge Year Pilot Program, a student shall be nineteen years of age or younger and shall not turn twenty years of age at any time during the Bridge Year, except that a classified student shall be eligible to participate if the student will turn twenty years of age during the Bridge Year due to services provided pursuant to the student's individualized education program. To participate in the Bridge Year Pilot Program, eligible students must notify their host high school's Bridge Year Liaison by February 15 of their senior year.

The Bridge Year Liaison shall develop, in consultation with Bridge Year students, an Individual Learning Plan (ILP) for each student. To ensure ample time to plan for the implementation of services outlined in the ILP, each Bridge Year student's ILP shall be completed by May 15, but no later than June 1 of the student's senior year.

STUDENTS 5460.02/page 2 of 2 Bridge Year Pilot Program

During the fall semester of the student's Bridge Year, the student shall take between nine and twelve credits at the host high school, the county college that serves the county of the host high school, or a combination thereof. During the spring semester of the student's Bridge Year, the student shall take between nine and twelve credits at the county college that serves the county of the host high school. During either semester of the Bridge Year, a student may also take up to three credits offered by a four-year institution of higher education at any high school in the State or at any other location to fulfill the student's credit requirement. At the conclusion of each semester of the Bridge Year, the host high school shall update the student's high school transcript to reflect any high school credits earned during the Bridge Year.

In the event that a student initially decides to pursue a Bridge Year in the fall semester, but does not continue the Bridge Year in the spring semester, the student's host high school shall release all final transcripts and other records as necessary and as may be requested. A student who decides not to continue the Bridge Year in the spring semester shall not be eligible to participate in a spring sports program or extracurricular activities pursuant to P.L. 2020 c.41.

The State Board of Education shall promulgate regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B -1 et seq.), necessary to effectuate the provisions of P.L. 2020 c.41.

#### A. Definitions (N.J.S.A. 6A:23A-1.2)

- 1. For the purpose of this Policy, "travel expenditures" means those costs paid by the school district using local, State, or Federal funds, whether directly by the school district or by employee reimbursement, for travel by school district employees and district Board of Education members, to the following five types of travel events:
  - a. Training and seminars means all regularly scheduled, formal residential or non-residential training functions conducted at a hotel, motel, convention center, residential facility, or at any educational institution or facility;
  - b. Conventions and conferences means general programs, sponsored by professional associations on a regular basis, which address subjects of particular interest to a school district or are convened to conduct association business. The primary purpose of employee attendance at conferences and conventions is the development of new skills and knowledge or the reinforcement of those skills and knowledge in a particular field related to school district operations. These are distinct from formal staff training and seminars, although some training may take place at such events;
  - c. School district sponsored events means conferences, conventions, receptions, or special meetings, where the school plans, develops, implements, and coordinates the event and is the event's primary financial backer. Regular school district business travel also includes attendance at regularly scheduled in-State county meetings and Department-sponsored or association-sponsored events provided free of charge and regularly scheduled in-State professional development activities with a registration fee that does not exceed \$150 per employee or district Board member. The \$150 limit per employee or district Board member may be adjusted by inflation; and
- e. Retreats means meetings with school district employees and school Board members, held away from the normal work environment at which organizational goals and objectives are discussed. If available, school district facilities shall be utilized for this type of event.
- B. Maximum Travel Budget (N.J.A.C. 6A:23A-7.3)
  - 1. Annually in the prebudget year, the Board of Education shall establish by resolution a maximum travel expenditure amount for the budget year, which the school district shall not exceed. The resolution shall also include the maximum amount established for the prebudget year and the amount spent to date.
    - a. The maximum school district travel expenditure amount shall include all travel supported by local and State funds.
    - b. The Board may exclude travel expenditures supported by Federal funds from the maximum travel expenditure amount.
      - (1) If Federal funds are excluded from the established maximum amount, the Board shall include in the resolution the total amount of travel supported by Federal funds from the prior year, prebudget year, and projected for the budget year.

- 2. Regular school district business travel as defined in N.J.A.C. 6A:23A-1.2 and in this Regulation shall include attendance at regularly scheduled in-State county meetings and Department-sponsored or association-sponsored events provided free of charge. It also shall include regularly scheduled in-State professional development activities for which the registration fee does not exceed \$150 per employee or Board member.
  - a. Regular school district business travel shall require approval of the Superintendent prior to obligating the school district to pay related expenses and prior to attendance at the travel event.
    - (1) The Superintendent shall designate the Business Administrator or Assistant Superintendent as an alternate approval authority to approve travel requests in his or her absence when necessary to obtain timely district Board of Education approval.
    - (2) The Superintendent shall establish, in writing, the internal levels of approval required prior to his or her approval of the travel event, as applicable.
- C. Travel Approval Procedures (N.J.A.C. 6A:23A-7.4)
  - 1. All travel requests for employees of the school district shall be submitted to the Superintendent or designee and approved in writing by the Superintendent and approved by a majority of the Board of Education's full voting membership, except if the Board of Education has excluded regular business travel from prior approval in Policy 6471 pursuant to N.J.A.C. 6A:23A-7.3(b), prior to obligating the school district to pay related expenses and prior to attendance at the travel event.

  - b. This shall not include general contractual provisions in employment contracts for continuing education or professional development, except if the Board has included in its policy a maximum amount per employee for regular business travel that does not require prior Board of Education approval pursuant to N.J.A.C. 6A:23A-7.3.

  - a. Such requests shall require prior written approval of the Superintendent or designee, and the Executive County Superintendent or designee.
  - b. The Board shall ratify the request at its next regularly scheduled meeting.

- c. Incidental expenses, defined as "non-meal tips" by the State travel regulations, when necessarily incurred by the traveler in connection with the transaction of official business, may be submitted for reimbursement only when the necessity and nature of the expense are clearly and fully explained on the travel voucher and the voucher is approved. The procurement procedures contained in this Policy will be implemented beginning immediately, until amended. All procurements must maximize full and open competition. Source documentation will be maintained by the School Business Administrator/Board Secretary or designee and will be available to determine open competition, the reasonableness, the allowability, and the allocation of costs.

The Board of Education intentionally seeks to prohibit conflicts of interest in all procurement of goods and services.

#### 1648.11 THE ROAD FORWARD COVID-19 – HEALTH AND SAFETY

The Board of Education plans to provide full-day, full-time, in-person instruction and operations for the 2021-2022 school year. In June 2021, the New Jersey Department of Health (NJDOH) and the New Jersey Department of Education (NJDOE) worked collaboratively to develop guidance, The Road Forward – Health and Safety Guidance for the 2021-2022 School Year (The Road Forward).

The Road Forward replaces the mandatory anticipated minimum standards outlined in the NJDOE's "The Road Back – Restart and Recovery Plan for Education" (June 2020) and provides a range of recommendations rather than mandatory standards. These recommendations are meant to assist school districts in implementing protocols to reduce risks to students and staff from COVID-19 while still allowing for full-time learning.

The Board considered many factors as they prepared for the 2021-2022 school year, including the level of COVID-19 transmission in the community at large and in the school community, as well as vaccination coverage rates in both the community at large and the school community.

For the purpose of this Policy, "Order" shall mean any Governor of New Jersey Executive Order, New Jersey State Agency mandate, Centers for Disease Control and Prevention (CDC) guidance, New Jersey statute, or administrative code requiring compliance by the school district.

The Board considered the recommendations outlined in The Road Forward to develop health and safety protocols. The Board will consider all recommended Orders and comply with all mandatory Orders when developing health and safety protocols and reviewing them periodically.

The Board considered the recommendations outlined in The Road Forward to develop the school district's COVID-19 protocols in the following areas and included in corresponding Appendices:

Pursuant to N.J.S.A. 18A:7F-9, schools must be in session for 180 days to receive State Aid. The statute requires that school facilities be provided for at least 180 days during the school year. N.J.S.A. 18A:7F-9(b) indicates when a school district is required to close the schools of the district for more than three consecutive school days due to a declared state of emergency, declared public health emergency, or a directive and/or recommendation by the appropriate health agency or officer to institute a public health-related closure, days of virtual or remote instruction commensurate with in-person instruction will count toward the school district's 180-day requirement.

The school district may be confronted with the incidence of COVID-19 positive cases among staff and/or students. If the school district is required to exclude a student, group of students, a class, or multiple classes as a result of possible exposure to COVID-19, while the school itself remains open for in-person instruction, the school district may offer virtual or remote instruction to those students in a manner commensurate with in-person instruction to the extent possible. In circumstances when the school facilities remain open and in-person instruction continues in those classrooms that are not required to quarantine, those days in session will also count toward the school district's 180-day requirement in accordance with N.J.S.A. 18A:7F-9.

The school district anticipates updates to The Road Forward and as such this Policy is subject to review by the Superintendent to ensure compliance with Orders that may arise after Board adoption of this Policy. All revisions to Orders affecting this Policy and corresponding Appendices shall be reviewed by the Superintendent with the Board Attorney, School Physician, and Board of Education, if appropriate. The Superintendent may revise the health and safety protocols included in any Appendix as necessary and appropriate. All students, parents, and staff members will be notified of any changes to school district-developed protocols implemented as a result of this Policy, as appropriate.

FEDERAL FAMILIES FIRST CORONAVIRUS (COVID-19) RESPONSE ACT (M)

# 1649 <u>FEDERAL FAMILIES FIRST CORONAVIRUS (COVID-19) RESPONSE ACT</u> (M)

#### M-

The Federal Families First Coronavirus (COVID-19) Response Act (FFCRA) includes the Emergency Family and Medical Leave Expansion Act (EFMLEA) and the Emergency Paid Sick Leave Act (EPSLA). The EFMLEA expands the Federal Family and Medical Leave Act (FMLA) and the EPSLA provides employees with paid sick leave for specified reasons related to COVID-19.

The provisions of the FFCRA shall apply from April 1, 2020 through December 31, 2020.

- A. Emergency Family and Medical Leave Expansion Act (EFMLEA)
  - 1. Definitions For the purposes of the EFMLEA:

a. "Eligible employee" means an employee who has been employed for at least thirty calendar days by the employer with respect to whom leave is requested.

b. <u>"Employer" means any employer with fewer than five</u> hundred employees.

"Qualifying need related to a public health emergency" means with respect to leave, the employee is unable to work (or telework) due to a need for leave to care for the son or daughter under eighteen years of age of such employee if the school or place of care has been closed, or the child care provider of such son or daughter is unavailable, due to a public health emergency.

d. <u>"Public Health Emergency" means an emergency with respect to COVID 19 declared by a Federal, State, or local authority.</u>

e. "Child care provider" means a provider who receives compensation for providing child care services on a regular basis, including an 'eligible child care provider' (as defined in section 658P of the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858n)).

a. Leave for Initial Ten Days

\_

- (1) The first ten days of this FMLA leave for an eligible employee shall be unpaid.
- (2) Since the first ten days of this FMLA leave are unpaid, an employee may elect to substitute any accrued vacation leave, personal leave, or emergency paid sick leave provided by the EPSLA for the initial ten days under the EFMLEA in accordance with 29 U.S.C. 2612(d)(2)(B).
- (3) An employee may not use sick leave under N.J.S.A. 18A:30-1 for a qualifying need related to a public health emergency. However, an employee receiving sick leave under the provisions of N.J.S.A. 18A:30-1 may only use sick leave because of personal disability due to illness or injury, or because the employee has been excluded from school by the school district's medical authorities on account of contagious disease or of being quarantined for such a disease in his or her immediate household.

  - (a) Subject to A.2.b.(4)(b) below, a number equal to the average number of hours that the employee was scheduled per day over the six-month period ending on the date on which the employee takes such leave, including hours for which the employee took leave of any type.

Administration 1648/Page 1 of 25 RESTART AND RECOVERY PLAN

#### 1648 RESTART AND RECOVERY PLAN

On June 26, 2020, the New Jersey Department of Education (NJDOE) published "The Road Back—Restart and Recovery Plan for Education" (Guidance), a guidance document for reopening New Jersey schools during the COVID-19 pandemic. The Guidance provided school officials with the information necessary to ensure that schools reopen safely and are prepared to accommodate staff and students' unique needs during these unprecedented times. The NJDOE required school districts in the State to develop, in collaboration with community stakeholders, a "Restart and Recovery Plan" (Plan) to reopen schools that best fits the district's local needs.

The Guidance requires the Board of Education to adopt certain policies and the Board adopts Policy 1648 to address those policy requirements in the Guidance. Policy 1648 shall only be effective through the current COVID-19 pandemic and will take precedence over any existing Policy on the same or similar subject, unless determined otherwise by the Superintendent.

A. NJDOE Guidance Key Subject Area 1 Conditions for Learning

#### 1. Transportation

- a. If the school district is providing transportation services on a school bus, a face covering must be worn by all students upon entering the school bus unless doing do so would inhibit the student's health. It is necessary to acknowledge that enforcing the use of face coverings may be impractical for young children or individuals with disabilities. Exceptions to the face covering requirements shall be those outlined in A.2.d. below:
  - (1) Accommodations for students who are unable to wear a face covering should be addressed according to that student's particular need and in accordance with all applicable laws and regulations.
- b. The school district shall use best practices for cleaning and disinfecting district owned school buses and other transportation vehicles in accordance with A.3. below.

### ROXBURY TOWNSHIP BOARD OF EDUCATION

\_

d. If the school district is using contracted transportation services, the contractor shall ensure all Board of Education safety actions and protocols are followed by the contractor and its employees and/or its agents.

\_

[See Policy Guide 1648 Appendix C for the protocols/procedures for "Transportation" which is also included in the school district's Restart and Recovery Plan.]

\_

 Screening, Personal Protective Equipment (PPE), and Response to Students and Staff Presenting Symptoms

\_

a. The school district shall screen students and employees upon arrival to a school building or work location for COVID-19 symptoms and a history of exposure.

\_

(1) School staff must visually check students and employees for symptoms upon arrival (which may include temperature checks) and/or confirm with families that students are free of COVID-19 symptoms.

\_

(2) Health checks must be conducted safely and respectfully, and in accordance with any applicable privacy laws and regulations.

-

(3) Results must be documented when signs/symptoms of COVID-19 are observed.

\_

(4) The screening protocol will take into account students and employees with disabilities and accommodations that may be needed in the screening process for those students and employees.

-

(5) Students and employees with symptoms related to COVID-19 must be safely and respectfully isolated from others.

Administration 1648/Page 3 of 25 RESTART AND RECOVERY PLAN

(6) If the school district becomes aware that an individual who has spent time in a school district facility tests positive for COVID-19, district officials must immediately notify local health officials, staff, and families of a confirmed case while maintaining confidentiality.

b. School staff and visitors are required to wear face coverings unless doing so would inhibit the individual's health or the individual is under two years of age.

(1) If a visitor refuses to a wear a face covering for non-medical reasons and if such covering cannot be provided to the individual at the point of entry, the visitor's entry to the school/district facility may be denied.

c. Students are required to wear face coverings, unless doing so would inhibit the student's health. It is necessary to acknowledge that enforcing the use of face coverings may be impractical for young children or individuals with disabilities.

(1) Accommodations for students who are unable to wear a face covering should be addressed according to that student's need and in accordance with all applicable laws and regulations.

d. Exceptions to the Requirement for Face Coverings

- (1) Doing so would inhibit the individual's health.
- (2) The individual is in extreme heat outdoors.
- (3) The individual is in water.

(4) A student's documented medical condition, or disability as reflected in an Individualized Education Program (IEP), precludes the use of a face covering.

Administration 1648/Page 4 of 25 RESTART AND RECOVERY PLAN

(5) The student is under the age of two, due to the risk of suffocation.

(6) During the period a student is eating or drinking.

(7) Face coverings should not be placed on anyone who has trouble breathing or is unconscious, or anyone who is incapacitated or otherwise unable to remove the face covering without assistance (e.g. face coverings should not be worn by Pre K students during nap time).

(8) The student is engaged in high intensity aerobic or anaerobic activities.

(9) Face coverings may be removed during gym and music classes when individuals are in a well-ventilated location and able to maintain a physical distance of six feet apart.

(10) When wearing a face covering creates an unsafe condition in which to operate equipment or execute a task.

[See Policy Guide 1648 Appendix E for the protocols/procedures for "Screening, PPE, and Response to Students and Staff Presenting Symptoms" which is also included in the school district's Restart and Recovery Plan.]

\_

If/when pandemic health trends improve and the potential to increase the instructional model presents itself, one of the following options will be utilized prior to moving back to a typical learning environment:

-

- 1.—Full Day In-Person approximately 50% population twice a week—Blue/Gold cohort rotation with Virtual Mondays
- 2.—Full student population 4 hours a day- Blue/Gold days with Virtual Mondays

Administration 1648.02/Page 1 of 8 REMOTE LEARNING OPTIONS FOR FAMILIES (M)

#### 1648.02 REMOTE LEARNING OPTIONS FOR FAMILIES (M)

M

On July 24, 2020, the New Jersey Governor and the Commissioner of Education published a supplemental guidance document titled "Clarifying Expectations Regarding Fulltime Remote Learning Options for Families 2020-2021" as a result of the COVID-19 pandemic. This supplemental guidance includes an additional "anticipated minimum standard," as this phrase is used throughout "The Road Back: Restart and Recovery Plan for Education" (NJDOE Guidance). This additional "anticipated minimum standard" provides that, in addition to the methods and considerations explicitly referenced in the NJDOE Guidance for scheduling students for in-person, remote, or hybrid learning, families/guardians (hereinafter referred to as "parents") may submit, and school districts shall accommodate, requests for full-time remote learning.

Requests for full-time remote learning may include any service or combination of services that would otherwise be delivered to students on an in-person schedule, which may be a hybrid schedule, such as instruction, behavioral and support services, special education, and related services. A parent may request some services be delivered entirely remotely, while other services follow the same schedule they otherwise would according to the provisions in the school district's Restart and Recovery Plan (Plan) and Policy 1648.

A parent may contact the Principal or designee of the building the student would attend with any questions on: a request to transition from in person services to full-time remote learning; a request to transition from full-time remote learning to in-person services; the procedures of this Policy; and/or any other information regarding the school district's Plan and Policy 1648.

To ensure clarity and consistency in implementation of full-time remote learning, the Board of Education adopts this Policy that addresses the following:

- A. Unconditional Eligibility for Full-time Remote Learning
  - 1. All students are eligible for full-time remote learning.
    - a. Eligibility for full-time remote learning cannot be conditioned on a parent demonstrating a risk of illness or other selective criteria.

\_

### ROXBURY TOWNSHIP BOARD OF EDUCATION

Administration 1648.02/Page 2 of 8 REMOTE LEARNING OPTIONS FOR FAMILIES (M)

b. Unconditional eligibility for full-time remote learning includes students with disabilities who attend in district schools or receiving schools (county special services school districts, educational services commissions, jointure commissions, Katzenbach School for the Deaf, regional day schools, college operated programs, and approved private schools for students with disabilities).

B. Procedures for Submitting Full-time Remote Learning Requests

1. A parent may request a student receive full-time remote learning from the school district by submitting a written request to the Principal of the school building their child would attend. The written request should be provided to the Principal at least seven (7) calendar days before the student is eligible to commence full-time remote learning in accordance with B.2. below.

2. The student may only begin full-time remote learning

- at the beginning of a marking period, or
- within seven (7) school days after receiving written approval of the Principal or designee if such a change is reasonable and possible given class size and schedule.
- 3. The written request for the student to receive full-time remote learning shall include:
  - a. The student's name, school, and grade;

b. The technology the student will be using to receive fulltime remote learning, including the student's connectivity capabilities, including any potential internet connectivity concerns;

e. A request for any service or combination of services that would otherwise be delivered to the student on an in-person

### ROXBURY TOWNSHIP BOARD OF EDUCATION

Administration 1648.02/Page 3 of 8 REMOTE LEARNING OPTIONS FOR FAMILIES (M)

or hybrid schedule, such as instruction, behavioral and support services, special education, and related services;

d. For students with disabilities, the school district staff will determine if an Individualized Education Plan (IEP) meeting or an amendment to a student's IEP is needed for full-time remote learning; and

e. Any additional information the Principal or designee requests to ensure the student, when receiving remote learning, will receive the same quality and scope of instruction and other educational services as any other student otherwise participating in school district programs.

(1) The documentation required by the school district to be provided in the parent's request for full-time remote learning shall not exclude any students from the school district's full-time remote learning option, but rather be limited to the minimum information needed to ensure proper recordkeeping and implementation of successful remote learning.

4. Upon receiving the written request, the Principal or designee may request additional information from the parent to assist the Principal or designee in providing the student the same quality and scope of instruction and other educational services as any other student otherwise participating in school district programs.

5. The Principal or designee will review the written request and upon satisfaction of the procedures outlined in this Policy, the Principal or designee will provide written approval of the parent's request for full time remote learning.

a. In the event the request does not satisfy the procedures outlined in this Policy, the Principal or designee will notify the parent in writing of the issues that need to be addressed by the parent to satisfy the procedures outlined in this Policy.

6. The Principal's written approval of the request shall be provided to the parent as soon as approved.

### ROXBURY TOWNSHIP BOARD OF EDUCATION

Administration 1648.02/Page 4 of 8 REMOTE LEARNING OPTIONS FOR FAMILIES (M)

a. The written approval will include the date the remote learning program will commence for the student in accordance with B.2. above.

#### C. Scope and Expectations of Full-Time Remote Learning

- 1. The scope and expectations of the school district's full-time remote learning program will include, but not be limited to, the following:
  - a. The length of the school day pursuant to N.J.A.C. 6A:32-8.3 and compliance with the Board's Attendance Policy and Regulation 5200; the provisions of the district's remote learning program outlined in the school district's Plan; and any other Board policies and regulations that govern the delivery of services to, and district expectations of, students participating in the remote learning program and their families;
  - b. The technology and the connectivity options to be used and/or provided to the student during remote learning; and
  - e. Any additional information the Principal or designee determines is needed to ensure the student, when receiving remote learning, will receive the same quality and scope of instruction and other educational services as any other student otherwise participating in school district programs (i.e. students participating in a hybrid model).
    - (1) This includes, for example, access to standards-based instruction of the same quality and rigor as afforded all other students of the district, the district making its best effort to ensure that every student participating in remote learning has access to the requisite educational technology, and the provision of special education and related services to the greatest extent possible.
  - d. The school district will endeavor to provide supports and resources to assist parents, particularly those of younger

Administration 1648.02/Page 5 of 8 REMOTE LEARNING OPTIONS FOR FAMILIES (M)

students, with meeting the expectations of the school district's remote learning option.

D. Procedures to Transition from Full-Time Remote Learning to In-Person Services

1. A parent may request their student transition from full-time remote learning to in person services, if in person services are being provided, by submitting a written request to the Principal of the building the student will attend. This request should be submitted at least seven (7) calendar days before the student is eligible for inperson services.

2. A student is only eligible to transition from full-time remote learning to in-person services commencing

at the beginning of a marking period, or

• within seven (7) school days after receiving written approval of the Principal or designee if such a change is reasonable and possible given class size and schedule.

3. The written request from the parent for the student to transition from full time remote learning to in-person services shall include:

a. The student's name, school, and grade;

b. The in-person program may only commence for a student transitioning from full-time remote learning to in-person services in accordance with D.2. above; and

- one marking period in remote learning before being eligible to transition into the school district's in-person program, or
- Seven (7) school days in remote learning before being eligible to transition into the school district's in person program if a schedule/class change is possible mid-marking period or trimester.
- a. This will allow parents to make the arrangements needed to effectively serve students' home learning needs and will support educators in ensuring continuity of instruction for the student.

RESTART AND RECOVERY PLAN - FULL-TIME REMOTE INSTRUCTION (M)

#### 1648.03 <u>RESTART AND RECOVERY PLAN - FULL-TIME REMOTE</u> <u>INSTRUCTION (M)</u>

M

On June 26, 2020, the New Jersey Department of Education published "The Road Back - Restart and Recovery Plan for Education" (NJDOE Guidance), a guidance document for reopening New Jersey schools during the COVID 19 pandemic. The Guidance, including revisions, provided school officials with the information necessary to ensure that schools reopen safely and are prepared to accommodate staff and students' unique needs during these unprecedented times. The NJDOE Guidance required school districts to develop, in collaboration with community stakeholders, a "Restart and Recovery Plan" (Plan) to reopen schools that best fit the district's local needs.

The NJDOE Guidance requires the Board of Education to adopt certain policies and the Board adopted Policies 1648 and 1648.02 to address these policy requirements. Board policies related to Covid-19 shall only be effective through the current COVID-19 pandemic and will take precedence over any existing Policy on the same or similar subject, unless determined otherwise by the Superintendent.

On August 13, 2020, the Governor of New Jersey signed Executive Order 175 indicating public school districts shall resume partial or full time in-person instruction during the fall of school year 2020-2021. However, Executive Order 175 also indicates public school districts that are or become unable to satisfy the health and safety requirements for in-person instruction delineated in the NJDOE's "Checklist for Re-Opening of School 2020-2021" and detailed in the "The Road Back—Restart and Recovery Plan for Education" Guidance, may provide full-time remote instruction to all students pursuant to N.J.S.A. 18A:7F-9.

Public school districts that determine they cannot provide in-person instruction must submit documentation to the Department of Education that identifies:

- 1. The school building(s) or grade level(s) within the district that will provide full time remote instruction;
- 2. The specific health and safety standards delineated in the NJDOE's "Checklist for Re-Opening of School 2020-2021," and detailed in

the "The Road Back - Restart and Recovery Plan for Education" Guidance, that the school is unable to satisfy;

- 3. The school's anticipated efforts to satisfy the identified health and safety standard(s); and
- 4. A date by which the school anticipates the resumption of in person instruction.

Such documentation must be submitted to the Department of Education as soon as reasonably possible.

The NJDOE, by way of the Executive County Superintendent, shall request periodic updates from the Superintendent of Schools of a public school district offering only remote instruction to demonstrate the school district is actively engaged in good-faith efforts toward the resumption of in person instruction.

All instruction, whether in-person instruction or remote instruction, for the 2020-2021 year, shall adhere to the following requirements, and any other requirements imposed by Order, statute, or regulation:

- 1. A school day, whether in person or remote must consist of at least four (4) hours of active instruction to students by an appropriately certified teacher, except that one continuous session of two and one-half hours may be considered a full day in Kindergarten, pursuant to N.J.A.C. 6A:32-8.3.
- 2. District and school policies for attendance and instructional contact time will need to accommodate opportunities for both synchronous and asynchronous instruction, while ensuring the requirements for a 180 day school year are met pursuant to N.J.S.A. 18A:7F-9.
- 3. All instructional time shall be provided in accordance with the New Jersey Student Learning Standards (NJSLS).
