

Coffee & Conversation

with Superintendent of Schools **Dr. Frank Santora**

held at Franklin Elementary School • Thursday, July 25, 2024

District Updates

- 1- Preschool Expansion Aid Application
- 2- Expanded Partnership with **LinkIt**
- 3- Implementation of Intervention Services
- 4- New Administrative Members

Preschool Expansion Aid Application Process

Goal: *To obtain funds to implement free preschool for Roxbury residents.*

- **Application Deadline is August 14, 2024 .**
- District will be notified in the “Fall” as to whether or not the funds will be awarded to the district.
- If granted the award, the district must implement the program within 75 days of the date of notification.
- As part of the application process, the district must identify available spaces within the district to host preschool programs. Such spaces must meet specific criteria.
- The district must also explore potential partnerships with local area daycare providers. The providers must demonstrate an ability to implement the program as specified in the guidelines.
 - *Dr. Santora and Mr. Mondanaro are meeting with interested daycare providers to discuss potential partnerships.*
- **The August 15, 2024 Superintendent Coffee** will be devoted to the Preschool Expansion Aid Application.

"Capturing student data and turning insight into action"

- **With LinkIt, our staff will be able to:**
 - Analyze student data on a regular basis
 - Systematically plan instruction that is based on individual student needs
 - Track student progress
 - Review general trends as well as individual students' patterns of performance
- **Our partnership with LinkIt will strengthen our district's tiered systems of support...**

Deep Analytics

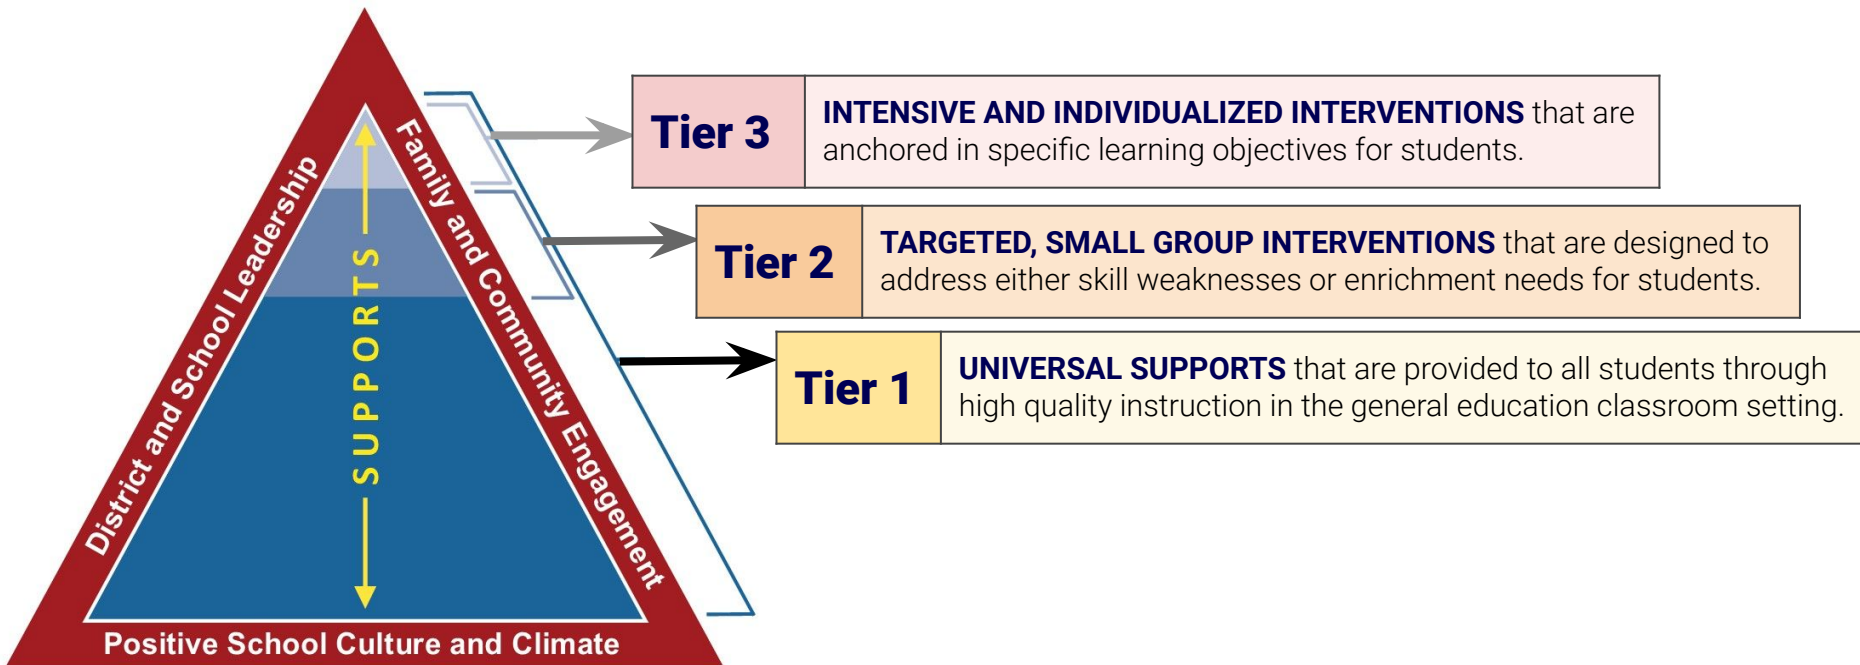

A combination of software, content, and services to make schools successful using data

Implementation of Intervention Services

As students progress from one tier to the next in **our Multi-Tiered Systems of Support (MTSS)**, the supports they are provided with are implemented in addition to those that exist at the preceding tiers.
