SOCIAL COMMUNICATION SUMMER PROGRAM

Dear Parent(s)/Guardians:

As summer approaches, I would like to encourage you to help your child maintain his or her social communication skills. Attached you will find calendars of daily activities intended to stimulate social thinking throughout the summer. Please take a few minutes at least 3-4 times weekly to focus good communication. The activities within the calendars are intended to be brief and enjoyable. I thank you in advance for supporting your child's progress.

Suggested ideas and activities (when appropriate):

- Relate the social communication activity to personal experiences. Encourage your child to share their experiences.
- Have your child act out the social communication activity for role-playing purposes.
- Use descriptive words to explain how you would feel in each situation.

Most importantly, have a happy and safe summer ☺ Enjoy!!

Sincerely,

Speech Language Pathologist
