

The Roxbury Education Foundation (REF) plays a unique role as a separate, registered nonprofit organization, providing additional financial resources for all Roxbury Public Schools certified members. Our EIN is 99-3731853.

Our fundraising efforts, which include sponsorships, grants, donations, and fundraisers, are aimed at providing additional funds to support the needs of staff and students. These funds, which may have been otherwise unavailable, could also allow the district to consider allocating additional funds toward creating more self-sustaining revenue sources.
